

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a white, cylindrical electronic device. The device has a black rectangular area in the center with the words "Telephoto" and "Wide-Angle" printed on it. To the left of this area is a small circular lens. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom. The device is positioned between the 100 and 120 marks on the ruler.
EUT View 2	 A photograph showing the back of the same white, cylindrical electronic device. The back features a central gold-colored circular port, four small black screws, and two black rectangular areas on the sides. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom. The device is positioned between the 100 and 120 marks on the ruler.
