

Parts introduction

The following is indicative diagram,Actual product may be changed without prior notice.

① Camera

④ Fingerprint

⑦ DC Jack

⑩ TF card slot

② Display

⑤ Touch Pad

⑧ Micro HDMI

③ Keyboard

⑥ USB Port

⑨ Headphone Jack

Product Highlight

"Advanced dynamic power sharing between CPU/GPU,
to enable high performance and low power consumption"

–High quality stable design based on Intel Master Reference Design.

Special note

Don't put anything between LCD screen and keyboard,such as pencil /pen Don't use cleaning agents to wipe the screen,Please make sure ventilation vents are not blocked to avoid overheating.

Lights introduction

LED symbols	Content
	Colorful light shows that system is in power
	This light is on, indicating that the Caps Lock key is activated
	This light is on, indicating that the numeric keypad is on
	The battery LED is lit to indicate that the device is being charged

Important notice

Make sure you don't block the openings provided for ventilation

Do not press or touch the display panel

Do not subject the computer to magnetic fields

Do not place on uneven or unstable work surface

Do not expose the computer to rain or moisture

DO NOT slam your notebook shut

Do not expose to direct sunlight

Do not use or store in extreme temperatures

DO NOT spray water or any other cleaning fluids directly on the display.

Do not place near fire or other sources of heat

Do not tamper with the batteries. Keep them away from children

If you are traveling with your computer, remember to carry it as hand luggage.

IMPORTANT NOTICE

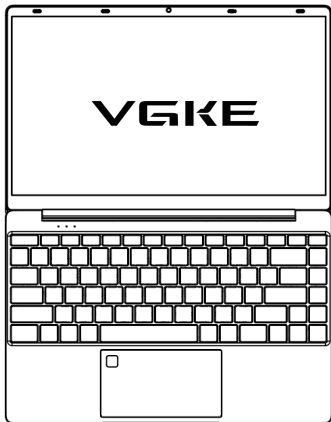

To reduce the possibility of injuries or accidents of the computer, please be aware of the following mistakes.

- Do not obstruct the air vents for heat dissipation.
- Do not press or touch the display panel.
- Do not subject the computer to magnetic fields.
- Do not place on uneven or unstable work surface.
- Do not expose the computer to rain or moisture.
- DO NOT slam your notebook shut.
- Do not expose to direct sunlight.
- Do not use or store in extreme temperatures.
- DO NOT spray water or any other cleaning fluids directly on the display.
- Do not place the laptop near fire or other sources of heat.
- Do not tamper with the batteries. Keep them away from children.
- If you are traveling with your computer, remember to carry it in a hand luggage.

AVIS IMPORTANT

Pour réduire les risques de blessures ou d'accidents de l'ordinateur, veuillez noter les erreurs suivantes.

- Ne pas obstruer les bouches d'aération pour la dissipation de la chaleur.
- N'appuyez pas et ne touchez pas le panneau d'affichage.
- Ne soumettez pas l'ordinateur à des champs magnétiques.
- Ne pas placer sur une surface de travail inégale ou instable.
- N'exposez pas l'ordinateur à la pluie ou à l'humidité.
- NE PAS claquer votre ordinateur portable pour le fermer.
- Ne pas exposer à la lumière directe du soleil.
- Ne pas utiliser ou stocker à des températures extrêmes.
- NE PAS vaporiser d'eau ou tout autre liquide de nettoyage directement sur l'écran.
- Ne placez pas l'ordinateur portable à proximité d'un feu ou d'autres sources de chaleur.
- Ne pas altérer les piles. Gardez-les loin des enfants.
- Si vous voyagez avec votre ordinateur, pensez à le transporter dans un bagage à main.

- NON chiudere sbattendo il notebook.
- Non esporre alla luce diretta del sole.
- Non utilizzare o conservare a temperature estreme.
- NON spruzzare acqua o altri liquidi detergenti direttamente sul display.
- Non posizionare il laptop vicino a fuoco o altre fonti di calore.
- Non manomettere le batterie. Tienili lontani dai bambini.
- Se viaggi con il tuo computer, ricordati di portarlo nel bagaglio a mano.

WICHTIGER HINWEIS

Um die Möglichkeit von Verletzungen oder Unfällen des Computers zu verringern, beachten Sie bitte die folgenden Fehler.

- Blockieren Sie nicht die Lüftungsschlitze zur Wärmeableitung.
- Drücken oder berühren Sie nicht das Anzeigefeld.
- Setzen Sie den Computer keinen magnetischen Feldern aus.
- Nicht auf unebene oder instabile Arbeitsflächen stellen.
- Setzen Sie den Computer weder Regen noch Feuchtigkeit aus.
- Schlagen Sie Ihr Notebook NICHT zu.
- Nicht direktem Sonnenlicht aussetzen.
- Nicht bei extremen Temperaturen verwenden oder lagern.
- Sprühen Sie KEIN Wasser oder andere Reinigungsflüssigkeiten direkt auf das Display.
- Stellen Sie den Laptop nicht in der Nähe von Feuer oder anderen Wärmequellen auf.
- Nehmen Sie keine Manipulationen an den Batterien vor. Halten Sie sie von Kindern fern.
- Wenn Sie mit Ihrem Computer reisen, denken Sie daran, ihn im Handgepäck mitzuführen.

NOTEBOOK

User Manual

Federal Communications Commission (FCC) Statement. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received,

including interference that may cause undesired operation. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide Reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by **Shenzhen Forwell Electronics Technology Co., Ltd.** may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

RF exposure statement:

This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. The device is installed and operated without restriction.
