

Brand Name: Quantum Networks Model Name: QN-I-270

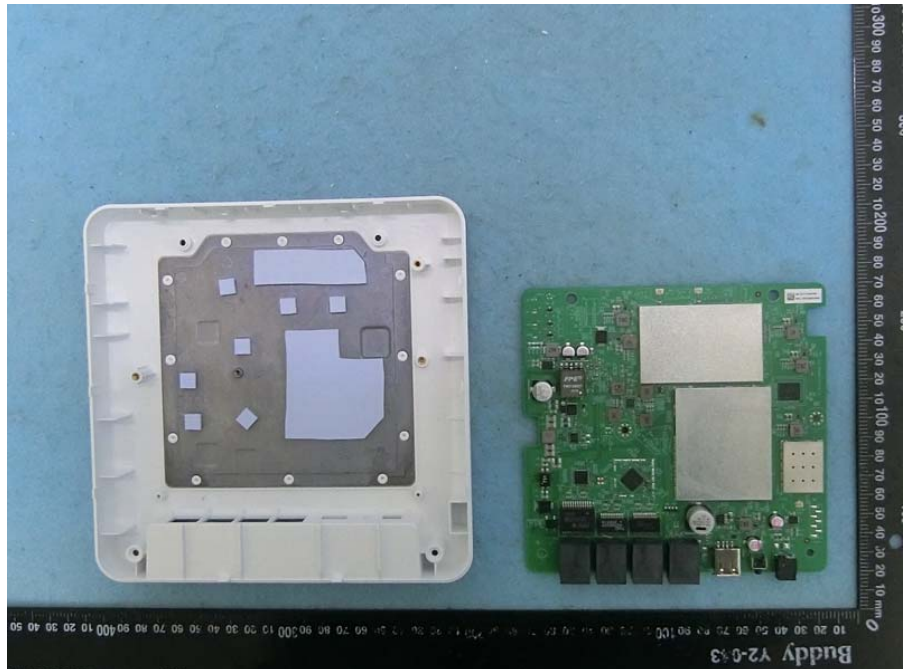

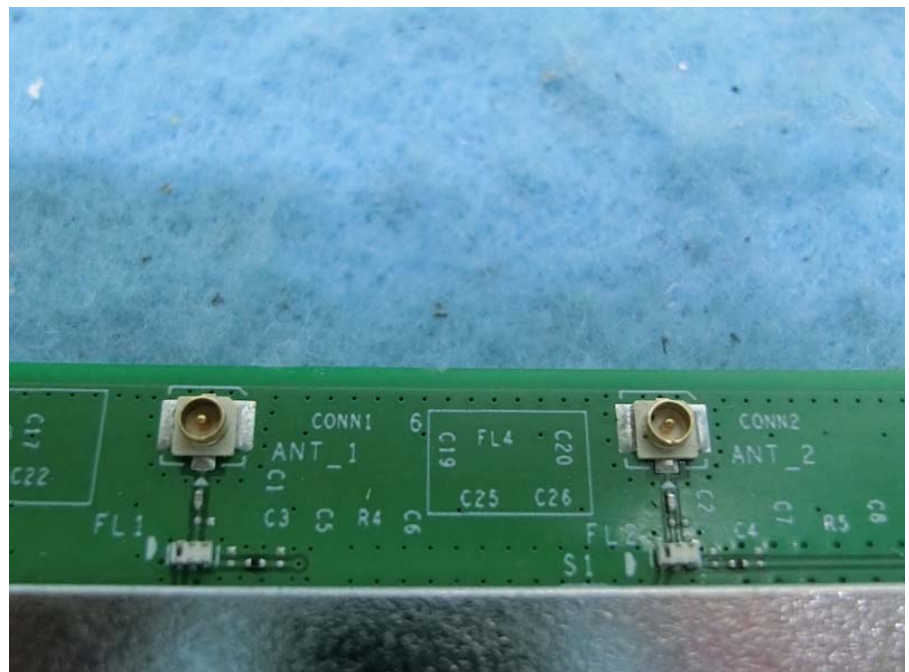

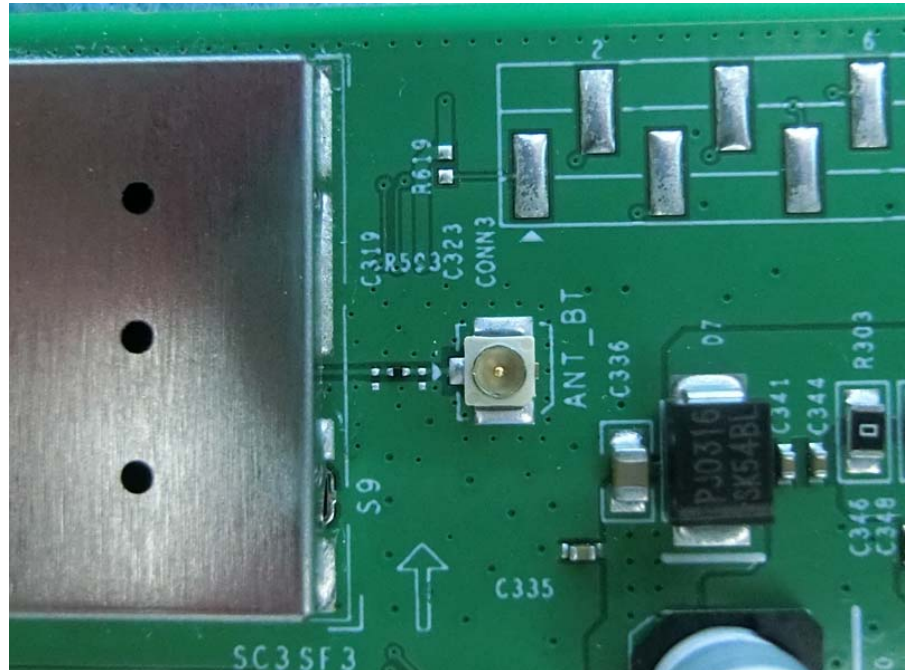

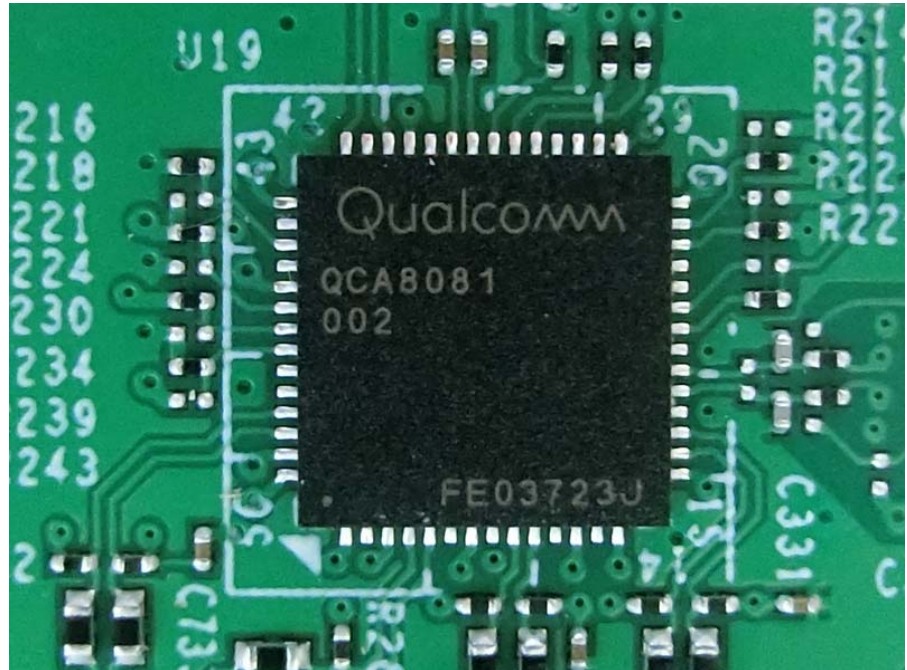

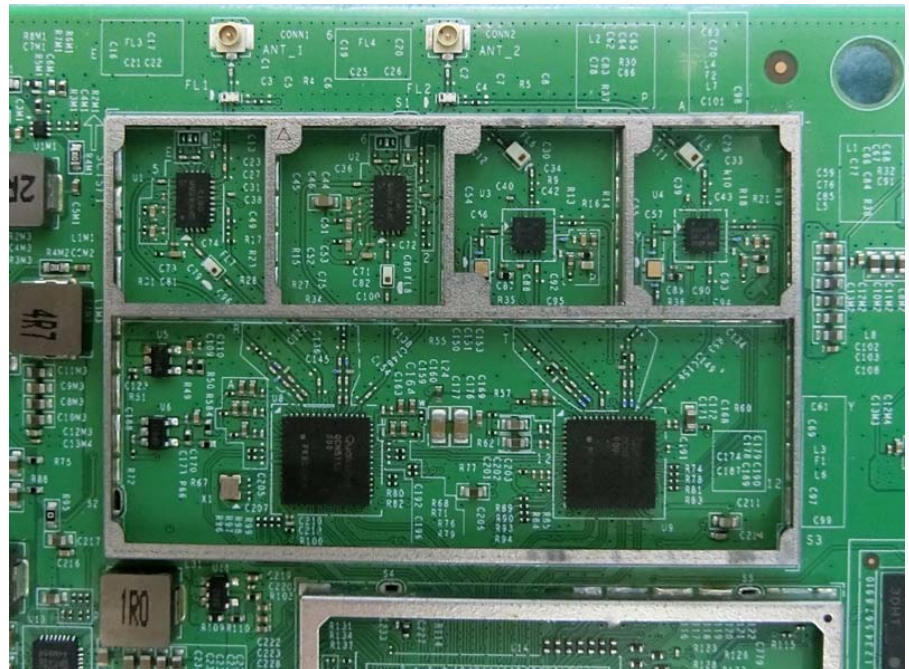

A close-up photograph of a black integrated circuit (IC) labeled "QPF4588 08T2" mounted on a green printed circuit board (PCB). The IC is a square package with 8 pins visible along one edge. The PCB features various surface-mount components, including resistors and capacitors, and white silkscreen markings such as "C73", "C74", "C75", and "C76".
