1 Scope

This document describes the label that will be attached on the sensor.

2 Label Description

The label out line and verbiage is shown in Figure 1. The label will be located on the topside of the sensor as shown in Figure 2. The label dimensions are 26mm in height and 80 mm in total length.

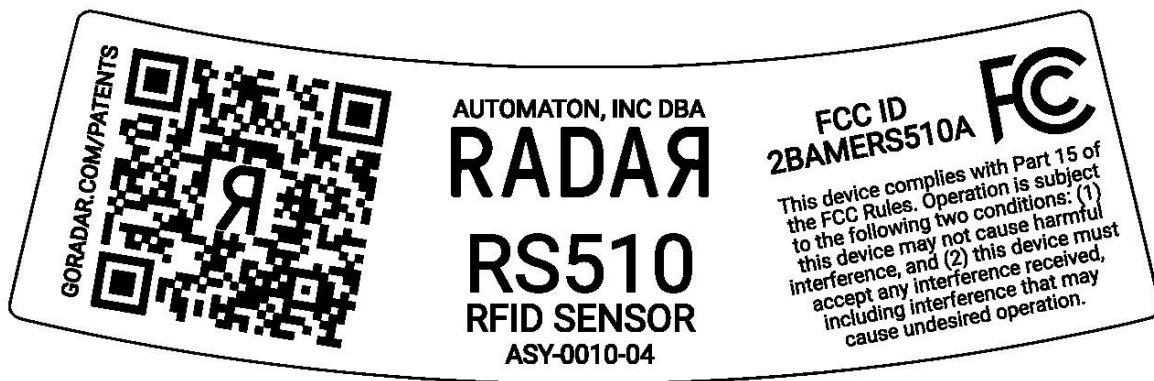

Figure 1 – Label Drawing and Verbiage

3 Label Quick Response Code: QR Code

The Quick Response code on the left side of the label, when scanned using the appropriate multi-media device, provides a link to NON-Regulatory information regarding RADAR’s products and patents as posted on their website.

To view the information:

1. Open the Camera app from the Home Screen, Control Centre or Lock Screen.
2. Select the rear-facing camera. Hold your device so that the QR code appears in the viewfinder in the Camera app. ...
3. Tap the notification to open the link associated with the QR code.
