3 General Product Information

3.1 Product Function and Intended Use

The EUTs PRCPC601XX and PRCPC601WE are Portable Class I pressure cooker intended for household and indoor use only.
 Suffix "XX" is blank or letters A-Z except for "BK", which represent different color and distributor.
 Model PRCPC601WE have the same electronic designed as model PRCPC601XX except for model name and color.
 All of models used the same NFC module (13.56MHz) and 2.4GHz WiFi module.

*Remark: SDR means specific defined radio and cannot changes radio specification via software/firmware by end-users.

Therefore, all tests were performed on one representative model PRCPC601WE.

For details refer to the User Manual, Technical Description and Circuit Diagram.

- 2) Testing was carried out within frequency range 9kHz to the tenth harmonics, so only the radiated spurious emissions from 9kHz to 30MHz were reported.
