TF-Y17
Instruction manual

Packing list

	Speaker *1		Type-C Charging cable *1
	Instructions and Warranty card *1		

Product specification

Effective distance: ≥10M
Horn diameter: φ45mm
Impedance: 4 Ω
Signal to noise ratio: ≥83dB
Distortion: ≤5%
Frequency response: 20Hz-10KHz
Rated input: 5V 500mA
Rated capacity of lithium battery: 1200mAh
Rated power: 3W
Charging time: approximately 3 hours
Usage time: approximately 8 hours

Tips

1.Except for the operation methods specifically marked in the manual, please do not try to disassemble or replace any parts in the earbuds.
2.Don't put the earbuds in the water or any others liquid.The earbuds are not waterproof.

Common problems and solutions

breakdown	solution
Failed to pair multiple connections	Turn off the speaker and restart it or require password: 0000
The music plays staccato	Whether the connection distance is out of range or there is an obstacle between the speaker and the phone
Play without sound	Check that the speaker is at its lowest
Unable to boot	Check whether the built-in battery of the speaker is charged
The power light is off	Check that the charging port is plugged in

The name and content of harmful substances in the earbuds

Part Names	Harmful Substances					
	Pb	Hg	Cd	Cr(VI)	PBB	PBDE
Printed circuit assembly	○	○	○	○	○	○
Small structural parts such as shell	○	○	○	○	○	○

This form is compiled in accordance with GB/T 11368.0 indicates that the content of the hazardous substance in all homogeneous materials of the part is in below the limit required by GB/T 26572.
Note: Indicates that the hazardous substance is at least in a certain homogeneous material of the part exceeds the limit requirements specified in GB/T 26572.
The parts marked with "X" on the form are all harmful due to the limitations of global technological development. Substitution of substances
Printed circuit board components:
Including: printed circuit boards and their parts, electronic components, etc., and operating on the product model, the earbuds you purchased may not contain all the above components.
Does not contain 6 kinds of toxic and harmful substances or contains but is less than the limit value, the letter "X" stands for the English letter electronic; The initials of electrical and environment; The curved arrows around it indicate recyclability.

Warranty statement

Disclaimer:
This user manual does not have any form of guarantee, position expression or other implication. The mentioned product specifications and information are for reference only, and the content will also be updated on the web at any time without additional separate notice.
Warranty statement:
The product attached to this document is guaranteed as follows: if the product is within 12 months from the date of purchase (Warranty Period) under normal conditions of use due to quality defects, damaged, can be repaired free repair/replacement. If the manufacturer confirms that it cannot be repaired, repaired or replaced product, continue to enjoy the warranty during the remaining warranty period (the shortest not less than 30 days). Purchased by sale the ticket date shall prevail if the purchase date cannot be determined, the warranty period shall be 12(12) months.
If you apply for a warranty, please call the product service hotline first and execute it in the manner instructed by us. When applying for warranty, you need to provide an accurate, complete and clearly filled out valid sales invoice.
The above guarantee does not apply to the following situations:
1. Exceeding the validity period of the three packs;
2. Altering the warranty card and product code does not match the product body;
3. Causes caused by misuse, abuse or improper transportation, use, maintenance or storage, disassembly or damage;
4. Failure or damage caused by force majeure (such as earthquake, war, disaster, etc.) or accident (bad);
5. The upper and lower back to be damaged due to excessive force;
6. Disconnection or tearing caused by excessive load;
7. Any damage caused by sharp objects;
8. Products with signs of burning or flooding;
9. Damage caused by unauthorized disassembly;
10. Aging, discoloration, abrasion, rupture and other losses that occur during the normal use of the product;
11. If the original identification label of the product is changed or damaged, this guarantee will become invalid.
The completeness and appearance of the product and accompanying materials are not within the scope of the guarantee. You should check on the spot and raise objections to any discrepancies.
The above guarantee are all guarantees we make regarding the products, and are only applicable in mainland China. Nothing in this document affects consumer rights that cannot be excluded or restricted under the law profit.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
