Attn: Director of Certification

Models: ESXBFXSVR0BC008; ESXBFXSVR0BC016; ESXBFXSVR0BC032

Declaration for Model Similarity

We hereby request Family Certification for the above mentioned Models based on them being electrically, and physically identical apart from model name/number.

All the models have the same antenna, the same enclosure and are electrically identical (or circuitry, components, layout, RF modules are identical), except the storage is different in these models.

Sincerely,

Signed by:
