To Whom It May Concern:

Hermon Laboratories is currently undergoing a renewal assessment with the American Association for Laboratory Accreditation (A2LA). The on-site renewal assessment is scheduled for July 2023. Upon successful assessment, completion of necessary corrective actions, and review by A2LA staff, the renewal of accreditation for certificates 0839.01, 0839.03, 0839.04, and 0839.05 will be granted through May 31, 2025.

However, in the meantime, the A2LA accreditation of Hermon Laboratories (0839.01, 0839.03, 0839.04, 0839.05) has been extended until **August 31, 2023**.

Sincerely,

Ryan Kidwiler
Electrical Program Manager
