Solder Board-Component View 11	 A photograph of a green printed circuit board (PCB) component, labeled 'View 11'. The component is rectangular with a semi-circular cutout on the right side. It features several silver-colored solder joints and a large, dark, circular component on the right. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 12	 A photograph of the same green printed circuit board (PCB) component, labeled 'View 12'. This view shows the underside of the board, revealing various electronic components including resistors, capacitors, and a central integrated circuit. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
