

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing two dark, curved electronic components (likely integrated circuits) placed on a blue surface. A ruler is visible on the left side of the image, with markings from 0 to 80 mm. The components are positioned horizontally, with one slightly above the other.
EUT View 4	 A photograph showing two dark, curved electronic components (likely integrated circuits) placed on a blue surface. A ruler is visible on the left side of the image, with markings from 0 to 80 mm. The components are positioned horizontally, with one slightly above the other.

EUT View 5	 A black, curved electronic component, likely a microchip or sensor, is shown against a blue background. The component has a single circular feature on its surface. It is positioned next to a black ruler with white markings, which shows a scale from 0 to 60 mm. The component is approximately 15 mm long and 5 mm wide.
EUT View 6	 A black, curved electronic component, similar to the one in View 5, is shown against a blue background. This component has two circular features on its surface. It is positioned next to a black ruler with white markings, which shows a scale from 0 to 60 mm. The component is approximately 15 mm long and 5 mm wide.
