

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing two dark, curved electronic components (likely integrated circuits) placed on a blue surface. A ruler is visible on the left side of the image, with markings from 0 to 80 mm. The components are positioned horizontally, with one slightly to the left of the other.
EUT View 4	 A photograph showing two dark, curved electronic components (likely integrated circuits) placed on a blue surface. A ruler is visible on the left side of the image, with markings from 0 to 80 mm. The components are positioned horizontally, with one slightly to the left of the other.

EUT View 5	
EUT View 6	

EUT View 7	
EUT View 8	

EUT View 9	 A black, curved electronic component, possibly a microchip or connector, is shown on a blue background. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 80 mm. The component is approximately 15 mm long and 5 mm wide.
EUT View 10	 A black, curved electronic component, similar to the one in View 9, is shown on a blue background. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 80 mm. The component is approximately 15 mm long and 5 mm wide.
