**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph showing a silver-colored metal component, likely a solder mask or a component, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters. The component has a rectangular shape with rounded corners and a small yellow rectangular feature near the bottom center.
Antenna View	 A photograph of a black printed circuit board (PCB) with various electronic components. A red box highlights a specific component labeled "Bluetooth Antenna" in a red-bordered text box. The antenna is a small, rectangular, gold-colored component with a green circuit pattern. A red line points from the text box to the antenna. The PCB also features several other components, including capacitors, resistors, and integrated circuits.
