“Information to User”

Caution: The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC Radiation Exposure Statement:

This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Déclaration d'IC sur l'exposition aux radiations:

Cet équipement est conforme aux limites d'exposition aux radiations définies par le Canada pour des environnements non contrôlés.

Cet émetteur ne doit pas être installé au même endroit ni utilisé avec une autre antenne ou un autre émetteur.

This equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

Cet équipement doit être installé et utilisé à une distance minimum de 20 cm entre l'antenne et votre corps.

User's manual

Thank you for choosing our products. Please read the instructions carefully before using this product. Its strongly recommended that you keep this user manual for reference.

1. Product Information

- Product Name: Audio With LED Lights
- Model Number: LED-MM-B
- Manufacturer Name: Shenzhen Bojia Electronic Technology Co., LTD
- Address: 2nd Floor, Building 5, Tongfuyu Xufa Science Park, Shangcun Village, Gongming Street, Guangming District, Shenzhen City, Guangdong, China
- Manufacturer Contact Information: hmxlight@gmail.com
- Intended Use/Product Function: For decoration
- EU Authorized Representative Name & Address

EC REP ELING ITALIA S.R.L. E-mail: ec.rep@eling-services.eu
ITALY Milano (MI) - Via Del Lauro 9 CAP 20121 LEXIA AVVOCATI

- UK Authorized Representative Name & Address

UK REP ELINGEN LTD E-mail: info@eling-gmbh.com
2 Frederick Street, Kings Cross, London, WC1X 0ND, UK

- US Authorized Representative Name & Address

US REP TTT Representative LLC E-mail: marketing@amglobal.cn
2450 Colorado Avenue, Suite 100E, Santa Monica, CA 90404, United States

- TUR Authorized Representative Name & Address

TUR REP TTT REPRESENTATIVE DANISMANLIK LIMITED SIRKETI E-mail: turkey@glottal.com
ESENTEPE MAH. BUYUKDERE CAD. LOFT RESIDANCE NO:201 IC KAPI
NO:40 SISLI /ISTANBUL

2. Security Information

- This product is not a toy. Keep out of reach of infants and children.
- For indoor use only.
- This product is for decorative purposes only and is not suitable for general household lighting.
- Do not put this product into fire or place it in an excessively hot environment.
- If you do not use this product for a long time, please cut off the power.
- Please use a standard safety power supply to power this product. Do not use fast charging.

3. Maintenance and upkeep

- Clean the product with a dry, soft cloth only.
- Disconnect the power supply or remove batteries before cleaning or maintenance.
- This product uses 2 AAA batteries for remote control, and the remote control does not come with a battery.

4. Recycling Instructions

- Do not dispose of discarded electronic products with household waste.
- Please recycle them at locations with recycling facilities.
- For recycling advice, please consult your local authorities or retailers.

5. Installation Instructions

① Insert the lamp body into the base.
