

Vision Beat Wireless Speaker System

User's Guide for Model ISB836 v3559-01

ILIVE[™]
ELECTRONICS

Important Safety Instructions

- Read these Instructions.
- Keep these Instructions.
- Heed all Warnings.
- Follow all instructions.
- Do not use this apparatus near water.
- Clean only with a dry cloth.
- Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. When the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

FCC Warnings

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However,

there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Additional Warnings and Precautions

- **CAUTION:** TO PREVENT ELECTRIC SHOCK, MATCH WIDE BLADE OF PLUG TO WIDE SLOT, FULLY INSERT.
- Mains plug is used as disconnect device and it should remain readily operable during intended use. In order to disconnect the apparatus from the mains completely, the mains plug should be disconnected from the mains socket outlet completely.
- **WARNING:** Shock hazard - Do Not Open.
- **CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may result in hazardous radiation exposure.
- **WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- **WARNING:** Do not place this unit directly onto furniture surfaces with any type of soft, porous, or sensitive finish. As with any rubber compound made with oils, the feet could cause marks or staining where the feet reside. We recommend using a protective barrier such as a cloth or a piece of glass between the unit and the surface to reduce the risk of damage and/or staining.
- **WARNING:** Do not ingest battery, chemical burn hazard.
- Battery shall not be exposed to excessive heat such as sunshine, fire or the like.
- Lithium batteries, like all rechargeable batteries, are recyclable and should be recycled or disposed of according to state and local guidelines. They should never be disposed of in normal household waste, and they should never be incinerated, as they might explode. Contact your local government for disposal or recycling practices in your area.

WARNING: To reduce the risk of electric shock, do not remove cover (or back). No user-serviceable parts inside. Refer servicing to qualified service personnel.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of un-insulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

This symbol indicates that this product incorporates double insulation between hazardous mains voltage and user accessible parts.

WARNING: Risk of cancer and reproductive harm from exposure to DEHP.

See www.P65Warnings.ca.gov

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

Features

- Bluetooth wireless
- Color changing LED lights
- Playtime: up to 4 hours at 50% volume, up to 2 hours at 100% volume
- Party Plus pairing with another ISB836
- 2 Microphone inputs

Includes

- User's Guide
- USB-C power cable

Controls and Functions

1. **Mode:** Press to change the playback source from Bluetooth/MicroSD/USB/AUX. Press and hold to manually disconnect Bluetooth.
2. **Previous**
3. **Pause/Play:** Press to pause or resume playback. Press and hold to start Party Plus mode.
4. **Next**
5. **Power Switch:** Press and hold to power the speaker on/off.
6. **Mic Volume +/-**
7. **Repeat:** Plays tracks on repeat in USB mode.
8. **EQ:** T - Treble, B - Bass, E - Echo, D - Microphone Delay, V - Main volume.
9. **Lights:** Press to cycle through light modes (and lights off). Press and hold to turn voice prompts on/off.
10. **Volume +/-:** Range from 0 to 32.
11. **Charger Indicator Light**
12. **DC Power Input.**
13. **USB:** Insert USB to play stored music files. Cannot be used for charging devices.
14. **MicroSD**
15. **Aux In**
16. **Mic 2 Input**
17. **Mic 1 Input**

Note: There is a layer of protective film wrapped around the clear back cabinet of the speaker. Please remove the plastic wrap before use.

Powering the Unit

Connect the USB-C power cord to the **DC power input** on the speaker and a USB power adapter (not included) or powered-on computer. When the speaker is charging, the **Charging Indicator Light** will light up. When charging is complete, the **Charging Indicator Light** will turn off. Charge while powered off for best results.

Charge fully before use. The charge time is approximately 4 hours.

For best results, turn the volume down before turning off the speaker.

Bluetooth Wireless

Pairing & Playing Audio

1. When powered on, the speaker will enter Bluetooth Mode automatically. Press the **Mode** button to switch to Bluetooth if already playing from another source (USB, MicroSD, etc).
2. Using the Bluetooth setting on your device, search for new devices and select **ISB836**. Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices.
3. When successfully paired, a voice prompt will announce "Bluetooth connected."
4. Use the controls on the connected device to select and begin playing audio. Use the controls on the unit or the connected device to play, pause, and adjust volume.

Note: The speaker will automatically connect to the last paired device when powering on. If your device becomes unpaired or it is unable to connect, press and hold the **Mode** button to enter pairing mode. A voice prompt will announce "Bluetooth is connecting." Start from step two to connect to your device.

Party Plus Mode

Pair two **ISB836** speakers wirelessly to double the audio from your Bluetooth device. Pair the two speakers together before pairing to a Bluetooth device.

1. After powering on, press and hold the **Pause/Play** button on one speaker to enter Party Plus mode. The speaker will chime, indicating it is ready to pair. After the speakers successfully connect, a voice will announce the connection.
2. Follow the steps above to connect to a Bluetooth device.
3. To exit Party Plus Mode, press and hold the **Pause/Play/Pair** button on either speaker.

Note: When powered off while paired, the two speakers will reconnect again after powering on.

Voice Prompts

To turn off voice prompts, press and hold the **Lights** button for five seconds. To turn voice prompts back on, press and hold the **Lights** button for five seconds.

Light Modes

Press the **Lights** button to cycle through speaker light modes.

MicroSD and USB

Supports MicroSD cards and USB Drives up to 64GB.

1. Insert a MicroSD card into the **MicroSD Slot** or a USB drive into the **USB Port** on the unit.
2. The speaker will automatically switch to **MicroSD** or **USB** mode. To enter External Media mode from another source, press the **Mode** button.

Aux In

Requires a 3.5mm audio cable (not included).

1. Connect a 3.5mm audio cable to the Aux In on the speaker and the audio output on an audio device. The speaker will automatically change to Aux In mode.
2. Use the controls on the connected device to select and play audio. Make sure the volume on your connected device is turned up when you begin playback.
