

 Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

- 1 x 3-in-1 Wireless Charging Dock
- 1 x 45W USB-C Power Supply Unit
- 1 x 3.3ft / 1M USB C to USB C cable
- 1 x Instruction Manual

1. Do not put anything else between your smartphone and the wireless charger such as credit cards, door keys, coins, metal, NFC cards, etc.
2. Make sure to place the device in the center of the charging pad.
Improper placement may result in heat generation or non-charging.
3. Compatible only with iPhones with MagSafe.
4. Please use a MagSafe compatible case, or no case. Cases that are not MagSafe compatible will not provide enough magnetism for positioning.

- Avoid dropping.
- Do not disassemble.
- Do not expose to liquids.
- Only use the original power adapter.
- This product is suitable for moderate climates only.
- The maximum ambient temperature during use of this product must not exceed 40°C.
- Open flame sources, such as candles, must not be placed on this product.
- Only use a dry cloth or brush to clean this product.
