

— RFPCB

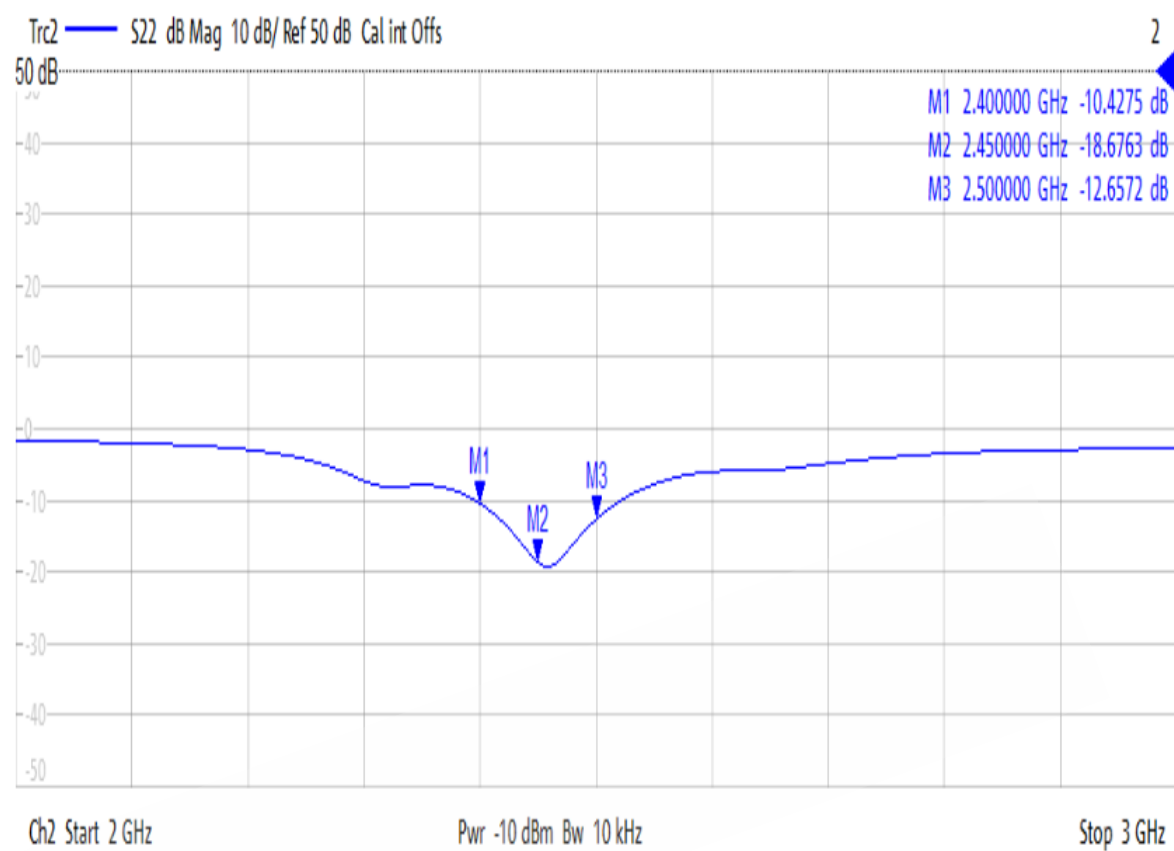

|                     |                                    |
|---------------------|------------------------------------|
| COMPANY             | Shenzhen STEP Technology Co., Ltd. |
| DESCRIPTION         | PCB Antenna-ONboard                |
| OUR MODEL NO        | ST003                              |
| Dimension (mm)L*W*T | 2.6*1.5*0.8                        |

|                       |            |     |
|-----------------------|------------|-----|
| Central Frequency     | 2450       | MHz |
| Bandwidth             | 120 (Min.) | MHz |
| Peak Gain             | -1.65      | dBi |
| Impedance             | 50         | Ohm |
| Operating Temperature | -40~+85    | °C  |

Address:Room 1611, Block A, Nanxian Commercial Plaza, Meilong Road, Longhua New District, Shenzhen City

## 二 .Return Loss

### 三. 2D Radiation Patterns
