4-in-1
GRAVITY-DEFYING HUMIDIFIER SPEAKER

LED AMBIENT LIGHT FISH TANK **WIRELESS SPEAKER**

- Please use only pure water.
- Avoid using alcohol, essential oils, perfumes, or similar substances.
- Note: When connecting to a power source, ensure you use a 2A charging adapter.

- **Product Testing:** To ensure the product's quality, it undergoes a real water test before leaving the factory. Therefore, it's normal to find a small amount of water droplets inside the product when you receive it.
- **Water Droplet Variations:** The shape and spacing of water droplets may vary from unit to unit. It's normal for each product to produce different water droplets.
- **Startup Delay:** When turning on the device, there may be a 30 to 60-second delay before water droplets begin to form. This is due to air needing to escape from the water pipe. Please be patient and wait for the droplets to appear.
- **Using with Fish:** If using the product with fish, change the water frequently and monitor the water level carefully.
