

Model Difference Statement

DATE: April 1, 2026

FCC ID: 2BBWQ-VM-EVM-0307

Dear Sir/Madam,

The appearance and model name of series models listed are different from the main model, and the position of the USB interface on the VM-EVM-07 is different from that of the VM-EVM-03, the circuit board has reserved two USB interfaces, so the circuit and the electronic construction are the same, declared by the manufacturer.

VM-EVM-03		
VM-EVM-07
