

Smart Watch Instruction Manual

[illegible]

For many common questions, please refer to the model log on the back of this page.

This app is not a medical device. Data obtained during the assessment is for reference only, and should not be used for clinical diagnosis, medical research, diagnostic, or treatment purposes.

The device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) It may not cause harmful interference,
- (2) It must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference to other licensed devices. This equipment generates, uses, and can radiate radio frequency energy and, if not used properly, it may cause interference to other devices. It is recommended that you follow certain precautions to avoid such interference to other devices, such as:

- Do not use the device near a television, radio, or other electronic devices, or devices with a cordless telephone system, as the device may interfere with the cordless telephone system.
- Do not use the device near a television, radio, or other electronic devices, or devices with a cordless telephone system, as the device may interfere with the cordless telephone system.
- Do not use the device near a television, radio, or other electronic devices, or devices with a cordless telephone system, as the device may interfere with the cordless telephone system.

NOTE: To avoid fire or explosion, do not use the device near flammable liquids or gases.

NOTE: Do not use the device near a television, radio, or other electronic devices, or devices with a cordless telephone system, as the device may interfere with the cordless telephone system.

The device has been developed to meet general FCC exposure requirements. Therefore, it can be used in portable exposure conditions without restrictions.
