Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) with various electronic components. A large, dark, rectangular component is visible on the right side. A small, square component with the text 'K24.000 MHZ05' is visible. A silver-colored metal component is attached to the left side. The board is placed on a blue, textured surface.
Antenna View	BT Antenna  A photograph of the same green PCB, showing the antenna components. A red box highlights a zigzag pattern on the right side, which is the BT antenna. A red line points from the text 'BT Antenna' to this box. A silver-colored metal component is attached to the left side. The board is placed on a blue, textured surface.
