

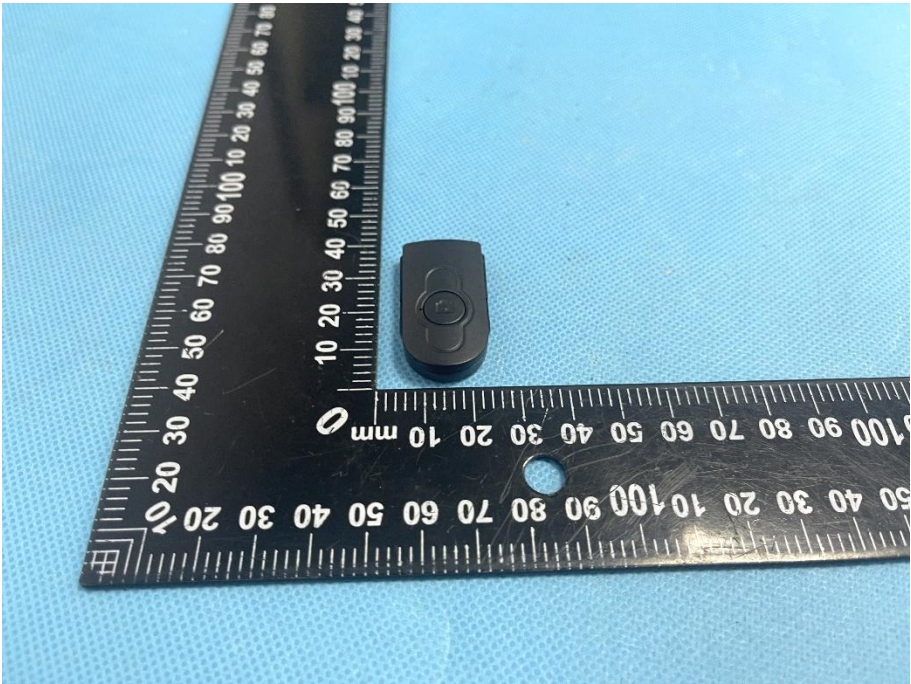

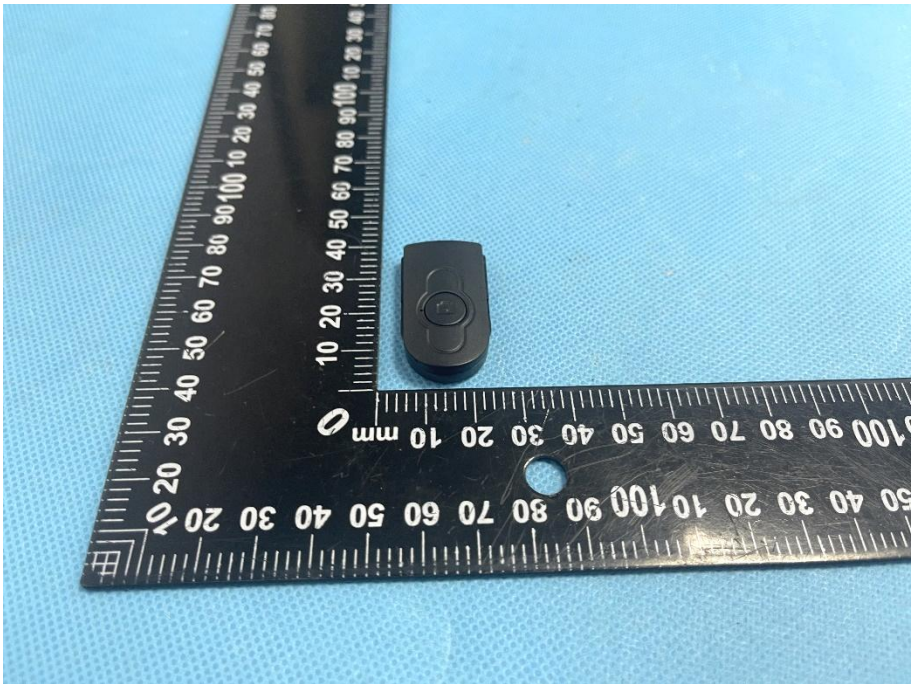

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

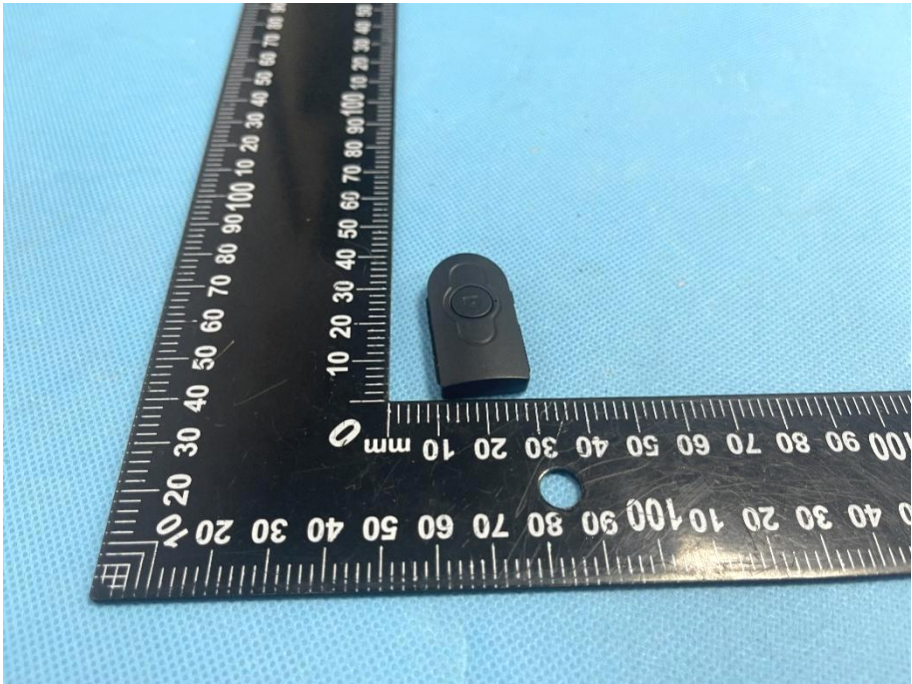

EUT View 1	 A black handheld electronic device (EUT) is shown vertically. It has a long, cylindrical body and a curved, hinged top section. The device is placed next to a black L-shaped ruler on a blue textured background. The ruler has white markings in millimeters and centimeters.
EUT View 2	 The same black handheld electronic device is shown in a second view, oriented vertically. A small, black, rectangular component is placed to the left of the device's base. The device is positioned next to a black L-shaped ruler on a blue textured background. The ruler has white markings in millimeters and centimeters.

EUT View 5

EUT View 6

EUT View 7	 A photograph showing a small, black, rectangular electronic component with a circular feature on its top surface. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters, with a 100mm scale visible. The component is positioned near the 10mm mark on the vertical ruler and the 30mm mark on the horizontal ruler.
EUT View 8	 A photograph showing the same small, black, rectangular electronic component from a different angle. It is placed on the same blue textured surface next to the same black L-shaped ruler. The component is positioned near the 10mm mark on the vertical ruler and the 30mm mark on the horizontal ruler.
