Pin type	7
Power	100mA
Temp	-40 to +125°C
RoHS	Compliant
CE	CE

A black, rectangular electronic device, likely a portable radio or communication unit, is shown on a blue textured surface. The device has a small black antenna on the left side and two white rectangular components mounted on top. It is positioned next to a black ruler with white markings for scale. The ruler shows measurements in inches and centimeters. The background is a plain, light-colored wall.
