BRAND STORY

UTIMI

Offer Pleasure Products & Culture with Ultimate Experience!

In 2014, UTIMI was founded.
In 2016, UTIMI became the largest seller in the Sexual Wellness category on Amazon.
In 2018, UTIMI has 100+ patents for adult products.

Over the years, we found many problems with adult products. In order to solve these problems, we upgraded comprehensively and determined to create a platform that allows users to easily find the right and reassuring products, and to freely share and communicate.

The development of our products is jointly participated in and approved by tens of thousands of users and originates from their real needs. Also, a pleasant one-on-one expert-style service is always stand by. We have united sexology experts and players who like to share, creating a highly inclusive erotic community.

Work jointly to promote the self-liberation movement, so let's together: Explore passion and happy life!
