Preface

Thank you for choosing Cozyla Calendar+ 2!

Before starting up, please carefully read this user manual to understand how to use the device and important precautions.

Warning

- * Use only the power adapter accessory provided by the original manufacturer.
- * The gaps and openings on the device are designed for ventilation and heat dissipation, Do not block or cover them.
- * Do not use or store the device in dusty, humid, or high-temperature environments.
- * Do not attempt to disassemble or repair the device if it malfunctions. Contact the dealer Cozyla.
- * Avoid stepping on the power cord or power adapter to prevent damage to the wires that may cause electrical hazards. If the power adapter's cord is damaged, do not continue to use it as it may be dangerous.
- * During thunderstorms or when the device will not be used for an extended period, unplug the power cord.
- * Do not place the device on the edge of a desk or in areas where children may easily access it to avoid damage or injury to the child.
- * During transport, do not apply excessive pressure on the display screen or scratch it with sharp or hard objects, as this may cause damage to the screen.
- * Use a dry, soft cloth or a slightly dampened soft cloth with a mild cleaning solution to clean the device. Do not use any type of solvent, such as alcohol or gasoline, as it may damage the surface treatment layer.
- * Make sure children understand the danger of climbing on the product, as dropping or tilting the product may cause serious injury.
- * Do not place the product in an unstable or tilted position.
- * Keep the cables connected to the product organized to avoid tripping, pulling or grabbing.
