Function: Find My & Find Hub Anti-Lost Positioning

Material: PU Leather

Battery Capacity: 400mAh

Battery Life: 3 Years

Dimensions: 100×142×12.5mm

Frequently Asked Questions-

This product is equipped with an anti-tracking mechanism. In the event of malicious tracking, a notification will appear on the tracked person's phone to prevent tracking.

About Google Find Hub

1. Find Hub is not available in some regions. We recommend using the latest version of stock Android.

2. Why doesn't the "Fast Pair" pop-up window appear on my phone to add the device?

Please try the following steps to manually add the device to your Find Hub app.

1. Make sure that Bluetooth and Location services are enabled on your phone.

2. Make sure your phone is connected to Wi-Fi or mobile data.

3. Make sure the distance between your phone and the device is within 0.5 meters (1.6 feet).

4. Go to "Settings" > "Google" > "All services" > "Find Hub", turn on "Allow device to be located", enable "Find your offline devices" at the same time, and select "With network everywhere"

5. If Find Hub fails to detect the device, please reset this product and try restarting your phone before connecting again.

6.If you close the "Fast Pair" pop-up window twice, or frequently perform pairing and cancel the pop-up window,the disable logic may be triggered to prevent unnecessary "Fast Pair" pop-ups. To resolve this issue, you can wait five minutes for the "Fast Pair" pop-up to be re-enabled, or restart your phone. Some steps only apply to the latest Android device versions.

Please remember to unbind the device before applying for a return.

iOS Apple Find My: Apple Find My app> Items> Select the bound device> Remove> Remove> sound prompt will be played upon successful removal

Android Find Hub: Find Hub> Devices> Select the bound device> Settings> Remove from Find Hub> sound prompt will be played upon successful removal

规格参数

名称: 旅行护照夹

型号: K02

功能: Find My + Find Hub 防丢定位

材质: PU皮

电池容量: 400mAh

续航时间: 3 年

尺寸: 100x142x12.5mm

使用前请先充满电

适配设备

适用于苹果设备iOS 18.0系统以上设备; 谷歌设备 Android™ 12系统以上设备。

建议设备更新到最新版本，再绑定本产品。

常见问题 -

*本产品具备防止追踪机制，当被恶意追踪时被追踪者手机上会有消息提示，以阻止追踪

关于谷歌Find Hub

1. Find Hub部份国家区域不可用，建议使用原生态安卓最新版本。

2. 为什么我的手机上没有出现“快速配对”弹出窗口来添加设备？

请尝试以下步骤将设备手动添加到您的 Find Hub 应用。

1. 确保您的手机已开启蓝牙和定位功能。

2. 确保您的手机已连接到 Wi-Fi 或移动网络。

3. 确保您的手机与设备之间的距离在 0.5 米（1.6 英尺）以内。

4.前往“设置”>“Google”>“所有服务”>“查找中心”>打开“允许定位设备”，同时打开“寻找离线设备”，选择“在所有区域使用“查找中心”网络”。

5.若Find Hub无法检测设备，请重置本产品并尝试重启手机后再连接。

6.如果您两次关闭“快速配对”弹出窗口，或频繁操作配对、取消“弹出窗口”，可能会触发禁用逻辑，以防止不必要的“快速配对”弹出窗口。要解决此问题，您可以等待五分钟让“快速配对”弹出窗口重新启用，或者重启手机。

部分步骤仅适用于Android 最新设备版本。

申请退货前请记得解绑设备

iOS苹果查找: Apple查找应用>物品>选择绑定的设备>移除>从Apple 账户移除>移除成功有声音提示

安卓查找中心: 查找中心>设备列表>选择绑定的设备>设置>从“查找中心”移除>移除成功有声音提示

FCC Statement

This equipment has been tested and found to comply with the limitsfor a Class B digital device, pursuant to part 15 of the FCC rules. Theselimits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordancewith the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in aparticular installation. If this equipment does cause harmful interence to radio or television reception, which can be determined by turning the equipment offand on, the user is encouraged to try to correct the interference by oneor more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from thaat to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

To assure continued compliance, any changes or modifications notexpressly approved by the party. Responsible for compliance could void the user's authority to operate this equipment. (Example- use only shielded interface cables when connecting to computer or peripheral devices).

This equipment complies with Part 15 of the FCC Rules. Operation issubject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

FCCRadiation Exposure Statement:

This device is compliant with general RF exposure requirements for portable use.
