| <p><b>EUT View 1</b></p> |  A photograph showing a blue, U-shaped neck-worn device and a white charging cable. The device has two earbuds attached to the ends of the neckband. The charging cable is coiled and has a USB-A connector on one end and a small, white, rectangular connector on the other. Both items are placed on a light blue textured surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the frame, with markings in centimeters and millimeters. |
| <p><b>EUT View 2</b></p> |  A photograph showing the same blue neck-worn device as in View 1, but without the charging cable. The device is placed on the same light blue textured surface next to the same black ruler with white markings. The ruler is oriented vertically on the left side of the frame, with markings in centimeters and millimeters.                                                                                                                                                               |
