

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A side view of an orange electronic component. It has a circular base and a protruding arm with a small circular feature. The component is placed on a blue textured surface next to a black millimeter ruler. The ruler shows markings from 0 to 100 mm.
EUT View 4	 A top-down view of the orange electronic component. It is rectangular with a small circular feature on its top surface. The component is placed on a blue textured surface next to a black millimeter ruler. The ruler shows markings from 0 to 100 mm.

EUT View 5	 A side view of an orange electronic component, possibly a connector or a small switch, with a small metal pin extending from its side. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
EUT View 6	 A top-down view of the same orange electronic component, showing its internal mechanical structure, including a spring and a metal contact. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
