

Quick Guide

Diagram of the 13-inch (2160x1440) display. The display is labeled "13.00" (2160x1440)". The diagram shows the display area with labels for the "Shortcut Key", "Touch Bar", and "Touch Bar" on both the left and right sides.

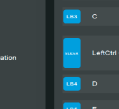

The diagrams illustrate the LincPlus tablet's features and dimensions:

- Top Diagram:** Shows the top edge of the tablet with a vertical stack of ports. A double-headed arrow indicates the **Zoom In/Zoom Out (+Shift Or +Ctrl Or +Alt)** function.
- Middle Diagram:** Shows the front of the tablet with the **Rear Camera** at the top center and the **LincPlus** logo below it. The bottom edge features an **SSD** (Solid State Drive) and a **TF** (TransFlash) card slot.
- Bottom Diagram:** Shows the tablet at an angle, highlighting the **Front Camera** at the top center, the **Pin** at the bottom center, and the **152.00° (±4X)** viewing angle. A **75.00°** angle is also indicated on the left side.
