Precautions

- When using the band to measure your heart rate, please keep still and relax your arm.
- The band has water resistance rating of 5ATM (50 meters in depth). It can be worn in the swimming pool, while swimming near the shore, or during other shallow-water activities. However, it cannot be used in hot showers, sauna, or diving. Furthermore, remember to avoid the band being directly impacted by swift currents during water sports. The water-resistant function is not permanent and may decline over time.
- The touchscreen of the band does not support underwater operations. When the band comes into contact with water, use a soft cloth to wipe away excess water from its surface before use. Do not use the band in water-related activities that need to be in keep its correct way dry. Please clean the wristband regularly with water.
- Please stop using the product immediately and seek medical assistance if the contact area on your skin shows signs of redness or swelling.
- This band is not a medical device; any data or information provided by the band should not be used as a basis for diagnosis, treatment, and prevention of diseases.

- The lithium polymer battery in this band cannot be removed. To avoid damage to the battery or the band, do not replace the battery by yourself. There is a risk of explosion if the wrong type of battery is used. Do not dispose of used batteries with household waste. Please recycle this band and used batteries as per local laws and regulations.
- Do not disassemble, strike, crush or throw the battery into fire. Stop using the battery immediately if there is any swelling or fluid leakage. Do not exposed to sunlight, fire, or environments where the ambient temperature is extreme heat.
- When planning not to use the band for a long time, turn it off and then put it away. To avoid damage caused by the over-discharge of the battery, fully charge the band every 6 months.

Battery Safety

- This device is equipped with a built-in battery that cannot be removed or replaced. Do not disassemble or modify the battery by yourself.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

Product Overview

Read this manual carefully before use, and retain it for future reference.

❶ Fitness Tracker

❷ Wristband ❸ Charging Cable

Note: Illustrations of product, accessories, and user interface in the user manual are for reference purposes only. Actual product and functions may vary due to product enhancements.

How to Install

1. Insert one end of the fitness tracker into the slot from the front of the wristband.
2. Press down on the other end with your thumb to push the fitness tracker completely into the slot.

Wearing

1. Comfortably tighten the band around your wrist about one-finger width away from your wrist bone.

2. To achieve the optimal performance of the heart rate sensor, make sure the back of the band is contact with your skin. When wearing your wristband, keep it neither too tight nor too loose but leaving some space for the skin to be able to breathe. Tighten the wristband before you start to exercise and properly loosen it afterward.

Too loose

If the band outwardly move when the arm is raised, the heart rate sensor cannot collect the data, try tightening the wristband.

Just right

The band runs comfortably fit around the wrist.

Connecting with APP

1. Scan the QR code to download and install the app. Add the Xiaomi Smart Band 7 to the app first before you start using it.

Android 6.0/iOS 10.0 or above

2. Log into your Xiaomi account in the app, and follow the instructions to connect and pair the band with your phone. Once the band vibrates and a pairing request is displayed on the touchscreen, tap to complete the pairing with your phone. Note: Make sure the Bluetooth on your phone is enabled. Hold the phone and the band close to each other during pairing.

How to Use

After successfully pairing with your device, the band will start tracking and analyzing your daily activities and sleeping habits. Tap the touchscreen to light it up.
Swipe up on the touchscreen to choose from functions, and swipe down on the touchscreen to view notifications.
Swipe left or right on the touchscreen to quickly select a shortcut.

Swipe left or right on the touchscreen to quickly select a shortcut.

Disassembling

Remove the band from your wrist, hold on to each end and pull on the wristband until you see a small gap between the fitness tracker and the wristband. Use your finger to pop the fitness tracker out of its slot from the front side of the wristband.

Charging

- When using the band for the final time, connect it to the charging cable to turn it on.
- Recharge your band immediately when the battery level is low.

Specifications

Product: Smart Band
Name: Xiaomi Smart Band 7
Model: M2120B1
Fitness Tracker Net Weight: 13.5 g
Item Dimensions: 46.9 × 20.7 × 12.25 mm
Fitness Tracker Material: Polycarbonate enamel
Clasp Material: Aluminum alloy
Adjustable Length: 185–224 mm
Compatible with Android 6.0 & iOS 10.0 or above
Battery Capacity: 180 mAh
Battery Type: Lithium polymer battery
Input Voltage: DC 5 V
Charging Time: Full 1 hr
Water Resistance: 5ATM
Operating Temperature: 0°C to 40°C
Bluetooth Frequency: 2402–2480 MHz
Max. Output: ≤ 0 dBm
Wireless Connectivity: **Bluetooth®** Low Energy 5.2
