have not undergone any modification during the complete transfer of the FCC certificates, from the company Schneider Electric Industries France L'Isle d'Espagnac (original beneficiary).

Part Type	Similarity status (between product versions)
Enclosure parts	same plastic body, same plug and gasket
Contact block	same top/bottom cover, same internal actuator and spring, same gasket
Electronic parts	same circuit board and associated BoM, same power supply generator
Radio parts	same radio-emitting unit and associated antenna

We certify that all references within this range only differ from a few mechanical parts, that constitute the external actuator of the product, and have no impact on radio characteristics.

These differences have no impact on radio characteristics.

Sincerely,

6 June 2024
