The image shows the bottom side of a green PCB. Key components and labels include:

- ICs:** A large black square IC (likely a SoC) with a gold pad, and a smaller black square IC labeled "H1483 B44FC".
- Resistors:** Numerous small surface-mount resistors labeled R1 through R35.
- Capacitors:** Various surface-mount capacitors labeled C1 through C29.
- Heat Sink:** A large, silver, rectangular heat sink is mounted on the bottom left.
- Labels:** "BT-ANT" and "RX" are printed in white on the green PCB.
- Red Line:** A red line is drawn horizontally across the bottom of the image, passing over the "BT-ANT" and "RX" labels.
