

9CM

A line drawing of a mobile phone on a stand. The phone is tilted back, and its screen displays a lightning bolt icon. The stand is a simple, curved base that supports the phone. The entire illustration is composed of black outlines on a white background.

Products

A line drawing of a mobile phone in a portrait orientation. The phone has a circular screen at the top with a lightning bolt icon. Below the screen is a small rectangular area. At the bottom, there is a speaker grille and a small circular button. Five labels with leader lines point to different parts: 1 points to the screen, 2 points to the small rectangular area below the screen, 3 points to the speaker grille, 4 points to the small circular button, and 5 points to the bottom edge of the phone's casing.
