Dear Sir,

In reference to above subject, we here by bring to your kind notice that, We are obtaining FCC certification for medha make Radio Modems. Specifically, we are pursuing certification for two model variants:

1. Model MDR4047 (Frequency range: 406.125MHz to 469.975 MHz)
2. Model Variant MDR4243 (Frequency range: 420.000MHz to 430Mhz).

Both of these models share identical parameters, except for the frequency specifications. The technical details and other features of these modems remain consistent. So, we requesting you to look forward to continue certification.

Thanking You

Yours sincerely,
For Medha Servo drive Pvt. Ltd.,
