**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph showing a small electronic component, likely a BT/WiFi antenna, mounted on a green printed circuit board (PCB). The component is positioned next to a black L-shaped ruler with white markings in millimeters. The component has a green label with the number 'B4223' and several soldered connections. The background is a blue textured surface.
Antenna View	 A photograph showing the same electronic component from a different angle, highlighting the antenna structure. A red rectangular box is drawn around the antenna area on the PCB. A red line points from this box to a label 'BT/WIFI Ant.' located in a red-bordered box at the bottom right of the image. The component is placed next to the same black L-shaped ruler on a blue textured background.
