

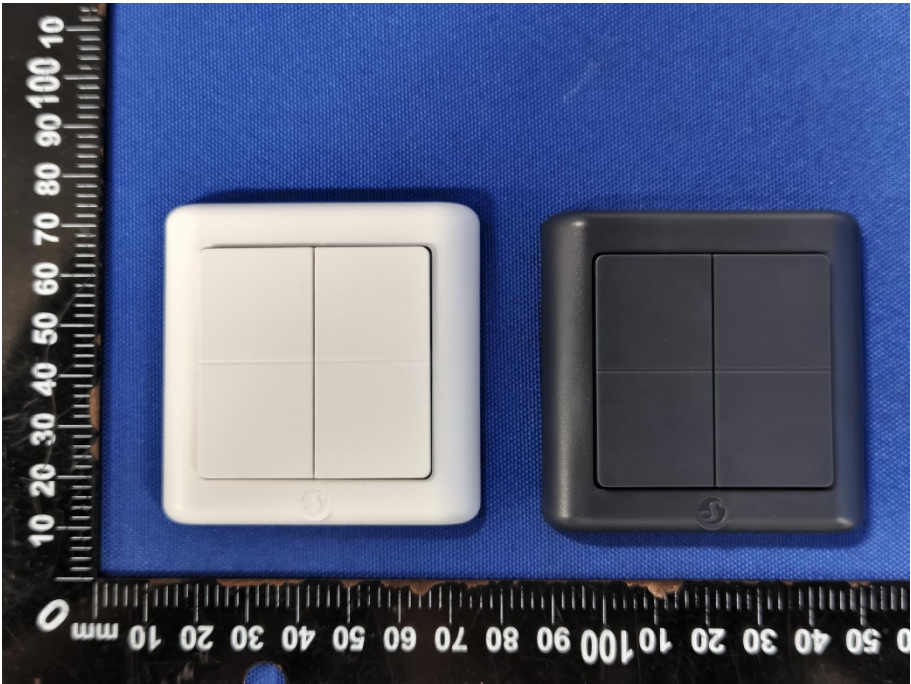

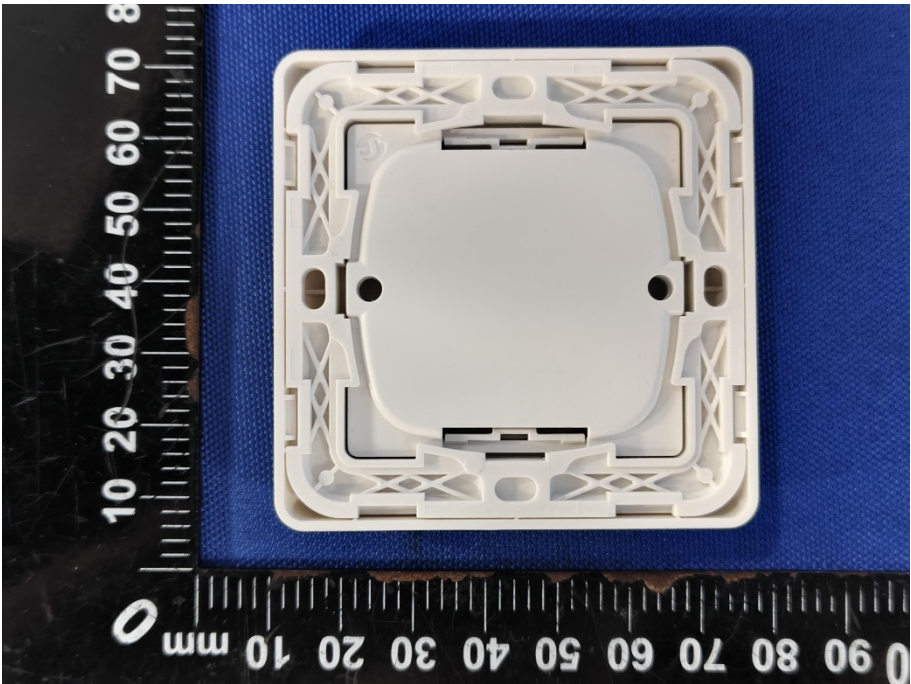

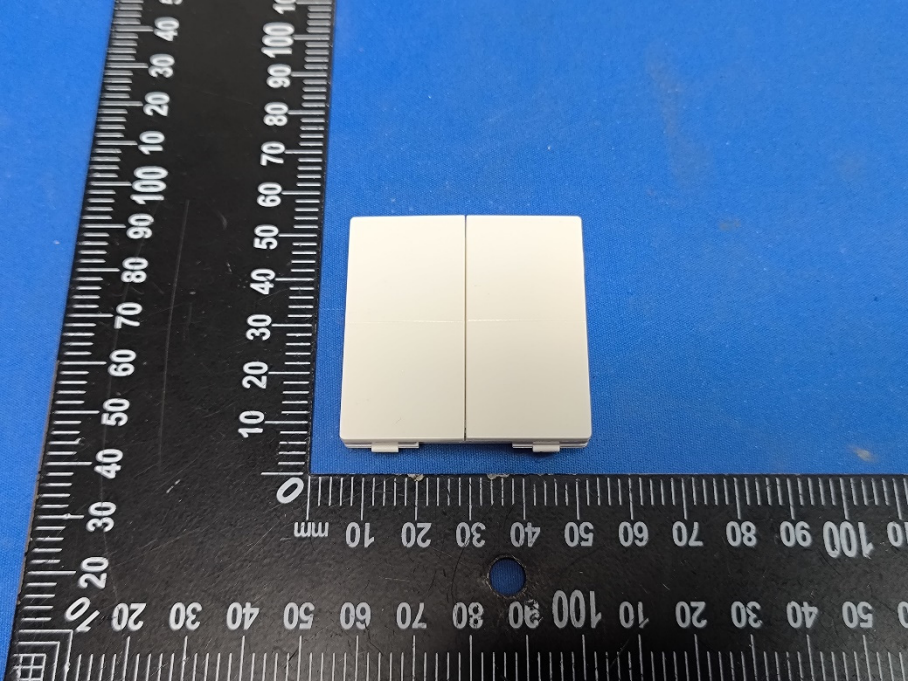

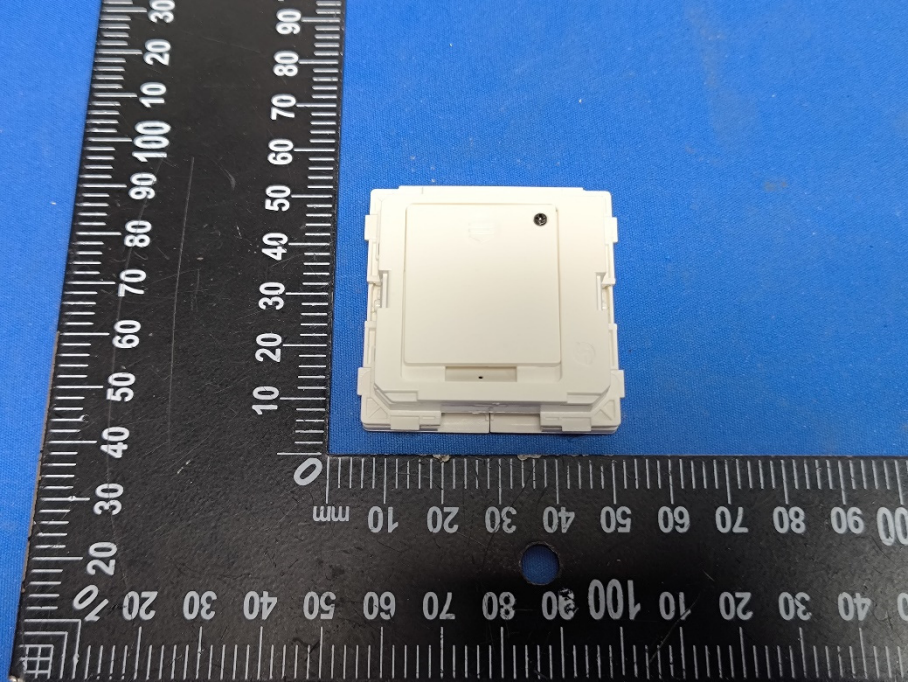

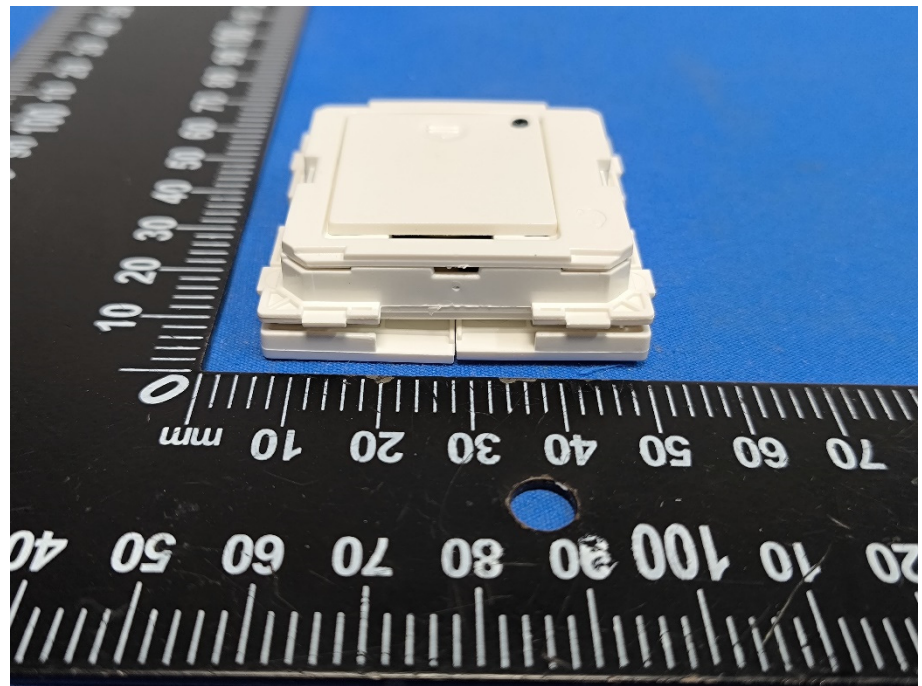

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

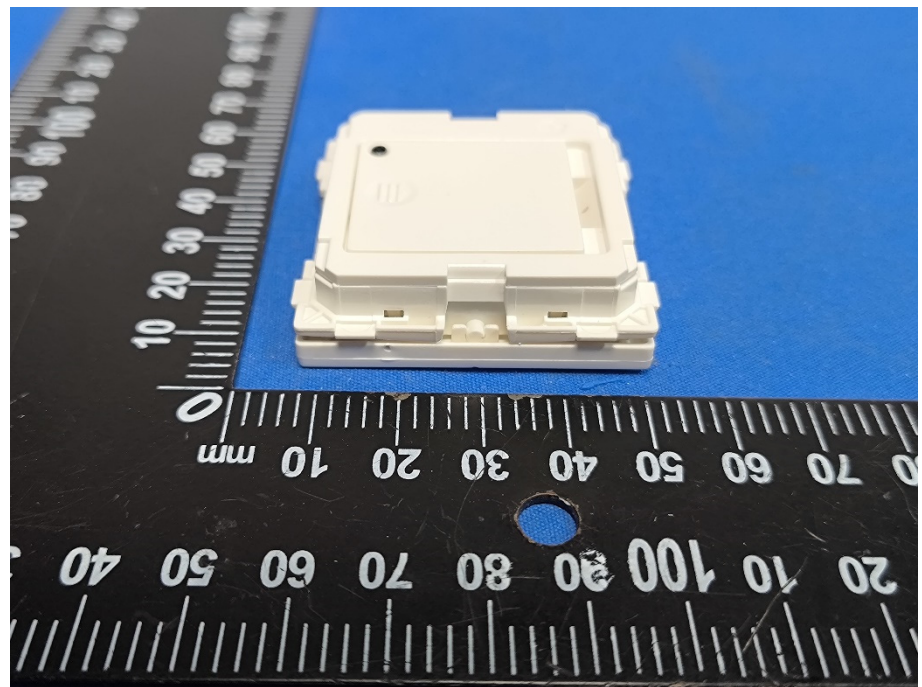

EUT View 1	 A photograph showing two square-shaped external components, one white and one black, placed side-by-side on a blue fabric surface. A black ruler with white markings is positioned vertically to the left of the components, showing measurements from 0 to 100 mm. The white component is on the left and the black component is on the right. Both components have a central square area with a vertical line down the middle.
EUT View 2	 A photograph showing the internal structure of a white EUT component. The component is a square plastic frame with a central square area. The frame has a complex, lattice-like structure. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 80 mm. The component is placed on a blue fabric surface.
