

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a module, placed on a blue surface. A black ruler is positioned vertically to the left of the component, showing measurements in millimeters (0 to 50 mm). The component has several gold-colored pins on its left side and various electronic components (resistors, capacitors, and a central chip) on its surface.
Antenna View	 A photograph of a black LoRa Add-on module placed on a blue surface. A black ruler is positioned vertically to the left of the module, showing measurements in millimeters (0 to 100 mm). A red box highlights the antenna cable, which is labeled "Antenna" with a red line pointing to it. The module has the text "LoRa Add-on" and "Shelly" printed on it, along with technical specifications: "AM 915-928, 915-928 MHz", "US 915, 925-928 MHz", and "EU 868, 863-870 MHz".
