Solder Board-Component View 8	 A photograph showing a green printed circuit board (PCB) component, labeled 'Shelly2Pro_Power_v2.2.1' and '2023-07-14', mounted on a blue textured surface. A black cable is connected to the component. A black ruler with white markings is placed below the component for scale, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Antenna View	WIFI/BT Antenna  A photograph showing the same green PCB component from a different angle, highlighting the antenna area. A red box is drawn around the antenna, and a red line points from the text 'WIFI/BT Antenna' to it. The component is mounted on a blue textured surface. A white label with 'MF20FV-16' is visible on the right side of the component.
