

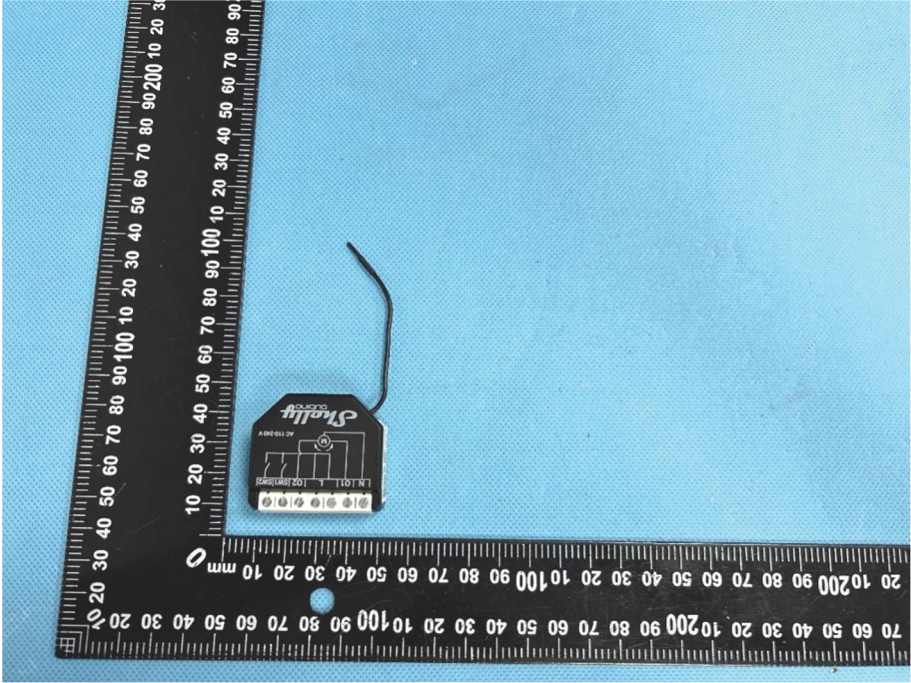

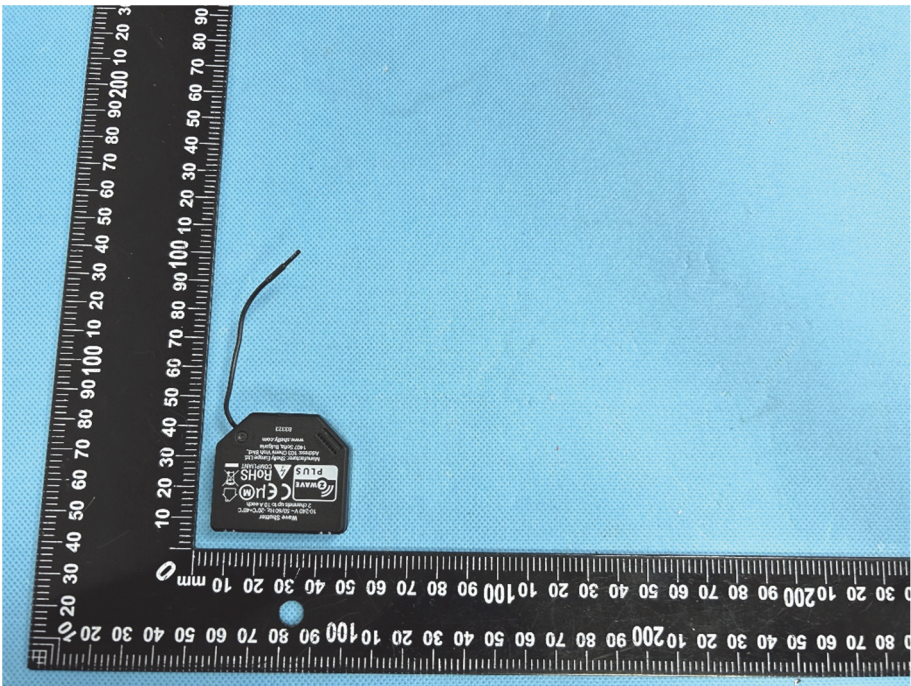

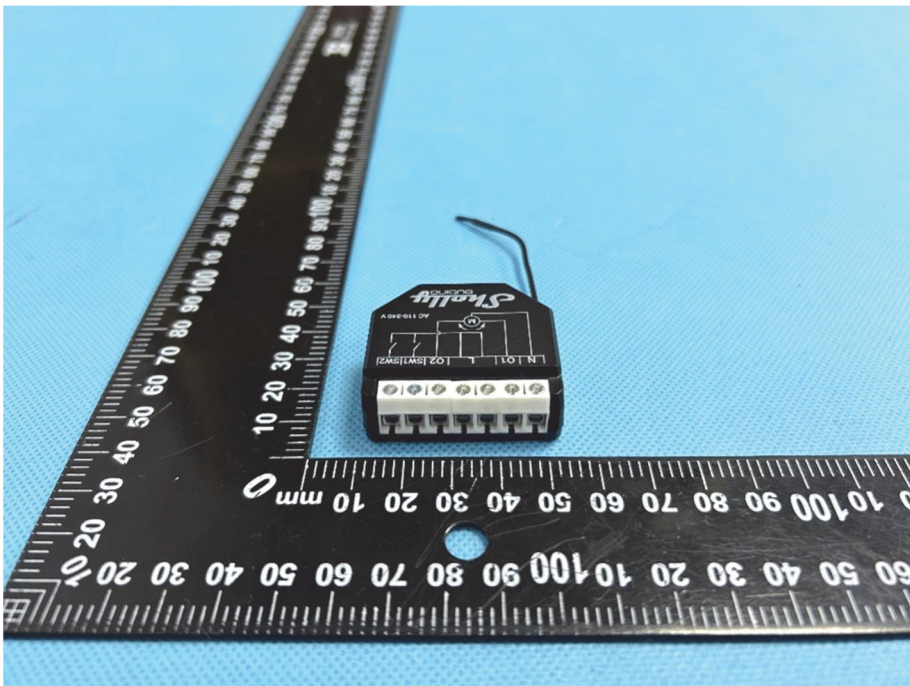

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

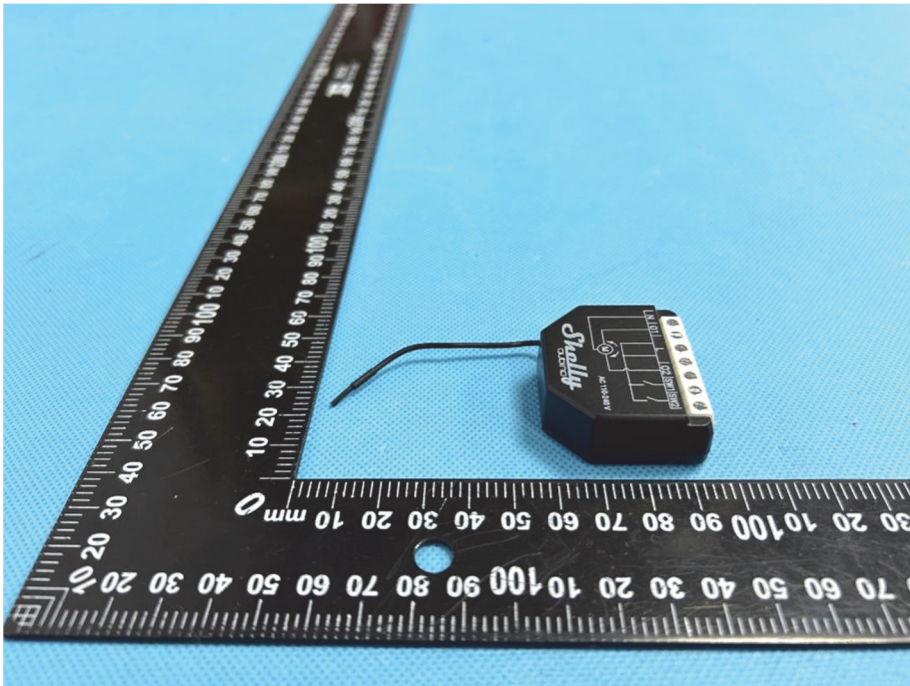

Model: Wave Shutter

EUT View 1	 A photograph of a small, black, rectangular electronic device (EUT) with a thin wire extending from the top. The device is placed on a light blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler has markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The device is oriented vertically, with the wire extending upwards.
EUT View 2	 A photograph of the same small, black, rectangular electronic device (EUT) from a different angle. The device is placed on a light blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler has markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The device is oriented vertically, with the wire extending upwards. The back of the device is visible, showing some text and markings.
