

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a small green printed circuit board (PCB) component, likely a Z-Wave antenna, placed on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 10 mm by 10 mm for the component. The component has a circular silver-colored pad on its top surface and a series of gold-colored pins along one edge.
Antenna View	 A photograph of the same green PCB component, showing the antenna side. A red rectangular box highlights the antenna structure, which consists of a series of parallel gold-colored strips. A red line points from a text label below to this box. The component is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 10 mm by 10 mm for the component. The component has a circular silver-colored pad on its top surface and a series of gold-colored pins along one edge.

Z-Wave Ant.
