Solder Board-Component View 2	 A photograph of a small green printed circuit board (PCB) component, labeled 'Wave14DC v0.6', placed on a blue textured surface. A black wire is soldered to the top of the board. A black L-shaped ruler with white markings in millimeters is positioned to the left and bottom of the component for scale.
Antenna View	 A photograph of the same green PCB component from a different angle, showing a yellow circular component and a black wire. A red rectangular box highlights the black wire, and a red line points from this box to a label 'Z-Wave Ant.' located in a white box with a red border at the bottom right of the image. A black L-shaped ruler with white markings in millimeters is positioned to the left and bottom of the component for scale.
