View 1**

Solder Board-Component View 2	 A photograph showing a small green printed circuit board (PCB) component with a single black wire soldered to it. The component is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings. The ruler indicates the component is approximately 15mm wide and 10mm high.
Antenna View	 Antenna A photograph showing the same green PCB component from a different angle, highlighting the antenna structure. A red rectangular box is drawn around the antenna wire, and a red line points from a label box containing the word "Antenna" to this box. The component is placed on the same blue surface next to the same black L-shaped ruler.
