Model: Wave Pro 1PM

EUT View 1	 A photograph of a red electronic component, identified as a Wave Pro 1PM, placed on a blue textured surface next to a black ruler. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is a small, rectangular red plastic housing with a black wire extending from the top. A white label on the component provides technical specifications: "Wave Pro 1PM", "Model: WTX25X05115534W001", "Max. Load: 10 A", "Max. Power: 100 W", "Operating Temperature: 0°C ~ 40°C", and "Manufacturer: Shenzhen Waltek Co., Ltd.". There are also CE and RoHS logos on the label.
EUT View 2	 A photograph of the same red electronic component from a different angle, showing the bottom or side. It is placed next to the same black ruler for scale. The component has a black wire extending from the top. A white label on the component shows a circuit diagram with various electronic components like resistors, capacitors, and a diode. The label also includes the text "Waltek" and "Shenzhen Waltek Co., Ltd.".
