Solder Board-Component View 4	 A photograph showing the back of a green printed circuit board (PCB) with a small electronic component soldered onto it. A thin black wire is attached to the component. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.
Antenna View	 A photograph showing the front of the same green PCB, which contains various electronic components and a small antenna. A red rectangular box highlights the antenna area. A red line extends from this box to a label 'Ant.' located in a white box at the bottom right of the image area.
