

Solder Board-Component View 5	 A photograph showing a small green printed circuit board (PCB) component with a USB connector, placed on a blue textured surface next to a black L-shaped ruler for scale. A circular silver component is connected to the PCB by thin copper wires.
Solder Board-Component View 6	 A close-up photograph of the green PCB component, showing various electronic components such as resistors, capacitors, and integrated circuits. Two red electrolytic capacitors are visible on the right side, connected by copper wires. The PCB is labeled with 'BUH-2082V1-B' and '20230917'.
