Subject: Attestation Letter “FCC Suppliers Declaration of Conformity”

Dear Sirs,

The product with the above FCC ID is defined as a composite device.

The transmitter is authorized under the “FCC Certification” procedure.

The device is also defined as Class B personal computers and peripherals according to §15.101 Equipment authorization of unintentional radiators, where the responsible party for compliance can either apply the SDoC or Certification procedure. In addition, the device is also categorized as Part 18 WPT device.

Instead of the FCC Certification procedure the device will be additionally authorized under the FCC Suppliers Declaration of Conformity (SDoC) procedure.

If you have any questions, please feel free to contact me.

Yours sincerely,

Sequana Medical NV
