EUT View 5	 A photograph showing the front view of a silver, rectangular electronic device. The device features a series of vertical cooling fins on the left side, a central panel with four circular ports (two red, two black), and a black connector on the right. A black ruler with white markings is placed horizontally below the device, indicating its width is approximately 100 mm. The background is a solid blue surface.
EUT View 6	 A photograph showing the back view of the same silver electronic device. It features a black circular component on the right side and a series of vertical cooling fins on the left. A black ruler with white markings is placed horizontally below the device, indicating its width is approximately 100 mm. The background is a solid blue surface.
