Elevate above the competition with the NZXT Lift Elite Wireless. The true 4K polling rate enables real-time responsiveness over wireless, while optical switches and a 26K DPI sensor deliver instant clicks and pinpoint targeting. The ultra-light frame glides effortlessly atop pure PTFE skates, ready for any in-game challenge.

Supera a la competencia con el ratón inalámbrico Lift Elite Wireless de NZXT. La tasa de sondeo 4K real permite que el ratón responda de forma inalámbrica en tiempo real, mientras que los interruptores ópticos y el sensor DPI de 26K te proporcionan clics instantáneos y precisión milimétrica. El armazón ultraligero se desliza sin esfuerzo sobre patines de teflón puro, y estará listo para cualquier desafío.

Dépasser la concurrence avec la souris NZXT Lift Elite Wireless. Le véritable taux d'interrogation 4K permet une réactivité en temps réel sur le sans fil, tandis que les commutateurs optiques et le capteur de 26 000 ppp offrent des clics instantanés et un ciblage précis. Le cadre ultra-léger glisse sans effort sur des patins en PTFE pur, prêt à relever tous les défis du jeu.

Überflüge die Konkurrenz mit der NZXT Lift Elite Wireless. Die echte 4K-Abfragerate ermöglicht Echtzeit-Responsivität über eine kabellose Verbindung, während zugleich optische Switches und ein 26K-DPI-Sensor für unverzügliche Klicks und punktgenaues Zielen sorgen. Das ultraleichte Gehäuse gleitet mühelos auf reinen PTFE-Füßen und ist für jede Herausforderung im Spiel bereit.

Supera la concorrenza con NZXT Lift Elite Wireless. La reattività in tempo reale tramite wireless è resa possibile dalla autentica velocità di polling 4K, mentre gli interruttori ottici e il sensore da 26.000 DPI offrono clic istantanei e posizionamento mirato. Il telaio ultraleggero scorre senza sforzo sui piedini in puro PTFE, pronto ad affrontare qualsiasi sfida di gioco.

Eleve-se acima da concorrência com o NZXT Lift Elite Sem Fios. A verdadeira taxa de polling de 4K permite uma capacidade de resposta em tempo real sem fios, enquanto os interruptores ópticos e um sensor de 26K DPI proporcionam cliques instantâneos e uma mira precisa. A estrutura ultraleve desliza sem esforço sobre os patins de PTFE puro, pronta para qualquer desafio no jogo.

NZXT Lift Elite 무선 마우스로 경쟁을 주도하세요. 진정한 4K 폴링 속도로 무선 상태에서도 실시간 응답이 구현되었으며, 광학 스위치와 26K DPI 센서는 순간적인 클릭과 즉집게 타겟팅을 가능하게 해줍니다. 초경량의 프레임은 완전한 PTFE 스케이트 위를 부드럽게 미끄러져, 게임 중의 어떤 도전 상황에도 완벽한 대비가 됩니다.

NZXT Lift Elite Wirelessで競争力を高めましょう。真正正銘の4Kポーリングレートにより、ワイヤレスでリアルタイムのレスポンスが可能であると同時に、光スイッチと26K DPIセンサーでインスタントクリックとピンポイントの精度が実現します。純PTFE(テフロン)製のスケート上で超軽量フレームがなめらかに動き、あらゆるゲーム対戦に最適です。

NZXT Lift Elite Wireless 使您在竞争中脱颖而出。真正的4K轮询率可实现无线实时响应，而光学开关和26K DPI传感器可提供即时点击和精确定位。超轻框架可在纯PTFE滑板上轻松滑动，让您可以随时准备好迎接任何游戏挑战。

使用 NZXT Lift Elite Wireless 讓您在競賽中脫穎而出。真正的4K輪詢率，透過無線傳輸及時回應，另外還有光軸和26K DPI感應器，讓您每一瞬間的點擊都能精確命中目標。超輕型結構流暢無縫搭上底部純PTFE滑鼠腳貼，準備好要面對遊戲中的挑戰。

NZXT GLOBAL WARRANTY POLICY

This NZXT Global Warranty Policy governs the sale of products by NZXT to you.

I. WARRANTY LENGTH

New NZXT Product	Warranty Length
NZXT Keyboard/Mouse	2 Years

Any replacement product will be covered under warranty for the remainder of the warranty period or thirty days, whichever is longer. Proof of purchase is required for warranty service.

II. WHO IS PROTECTED

The Warranty covers only NZXT products purchased by the original consumer.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT's reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply. Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

There are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you'll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT's liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.

IX. WARRANTY SERVICE FROM RESELLERS

In the event that a warranty service is sought, you must provide proof of purchase (store receipt or invoice) in order to receive the service and if deemed necessary, repair or replacement product.

In North America:

Within the first 60 days after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval and an RMA number.

In Europe:

Within the first year after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

In Australasia:

Within the first two years after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NZXT will reimburse reasonable postage or transportation of costs.

Outside North America, Europe, and Australasia:

If your product needs to be returned within the warranty period, please contact the retailer or distributor from whom you purchased the product.

X. NZXT.COM STORE RETURNS/EXCHANGE POLICY

Eligible products under this NZXT Warranty qualify for a full refund or exchange only with an authorized RMA number and if the item is returned to the NZXT.com store inventory within 30 days of purchase. Returns are not allowed beyond 30 days of the purchase date. The NZXT.com Store reserves the right to deny any return or exchange. Refunds will be credited to the original method of payment. To initiate a return, simply submit a request via NZXT support site.

ΕΛΛΗΝΙΚΑ

CAUTION:

Risk of fire or explosion or defeat the safeguard of equipment if the battery is replaced by an incorrect type. Replace only with the same or equivalent type.

Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.

Leaving the battery in an extremely high temperature and/or low air pressure surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.

To protect the global environment and as an environmentalist, NZXT must remind you that:

Under the European Union ("EU") Directive on Waste Electrical and Electronic Equipment,

Directive 2002/96/EC, which takes effect on August 13, 2005, products of "electrical and electronic equipment" cannot be discarded as municipal waste anymore and manufacturers of covered electronic equipment will be obligated to take back such products at the end of their useful life. NZXT will comply with the product take back requirements at the end of life of NZXT-branded products that are sold into the EU. You can return these products to local collection points.

En tant qu'écologiste et afin de protéger l'environnement, NZXT tient à rappeler ceci:

Au sujet de la directive européenne (EU) relative aux déchets des équipement électriques et électroniques, directive 2002/96/EC, prenant effet le 13 août 2005, que les produits électriques et électroniques ne peuvent être déposés dans les décharges ou tout simple-ment mis à la poubelle. Les fabricants de ces équipements seront obligés de récupérer certains produits en fin de vie. NZXT prendra en compte cette exigence relative au retour des produits en fin de vie au sein de la communauté européenne. Par conséquent vous

pouvez retourner localement ces matériels dans les points de collecte.
