NFC Antenna

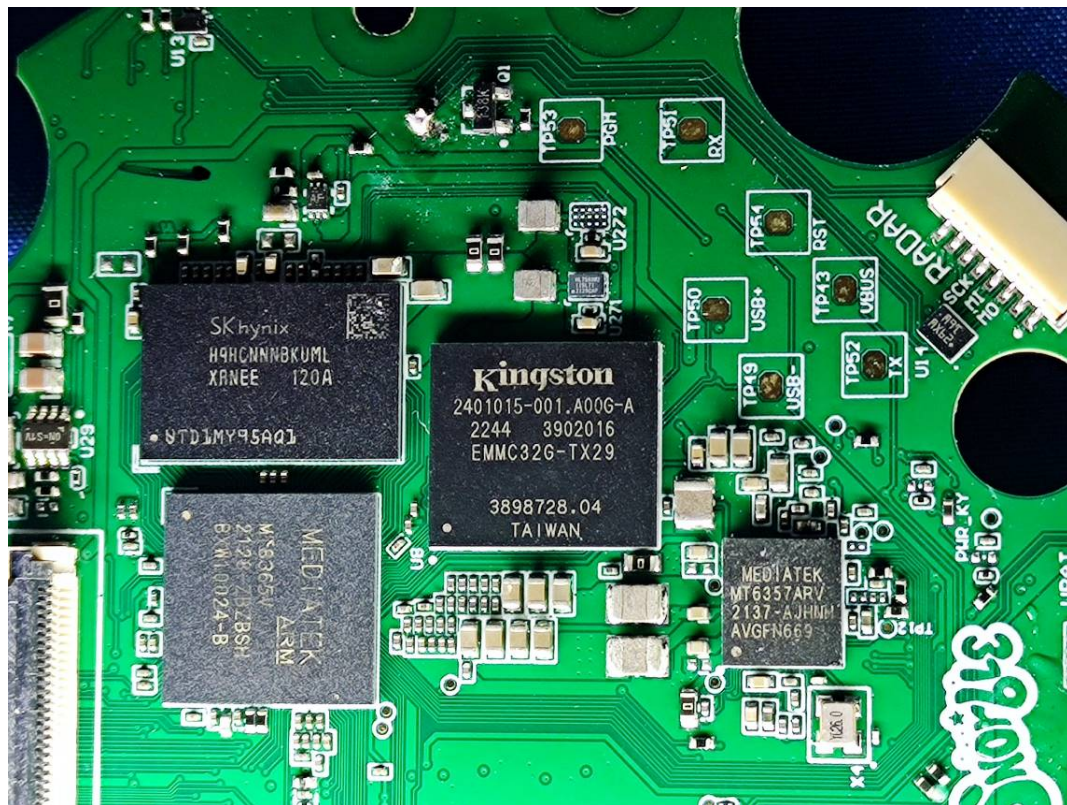

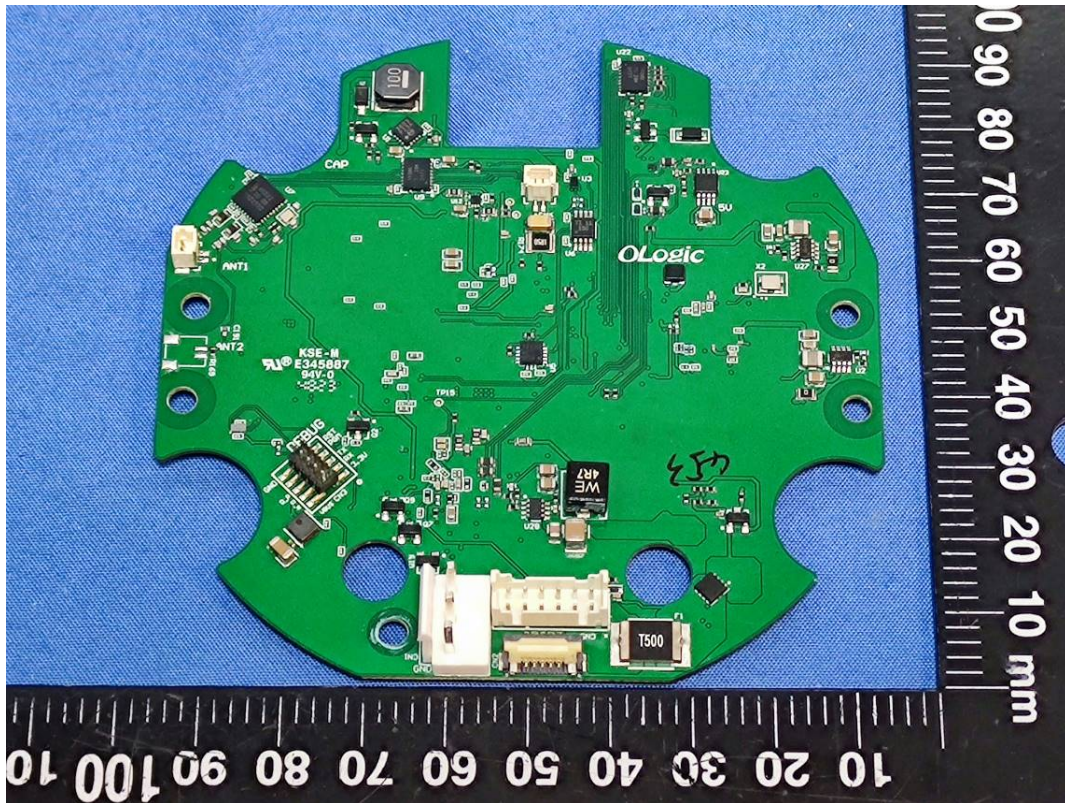

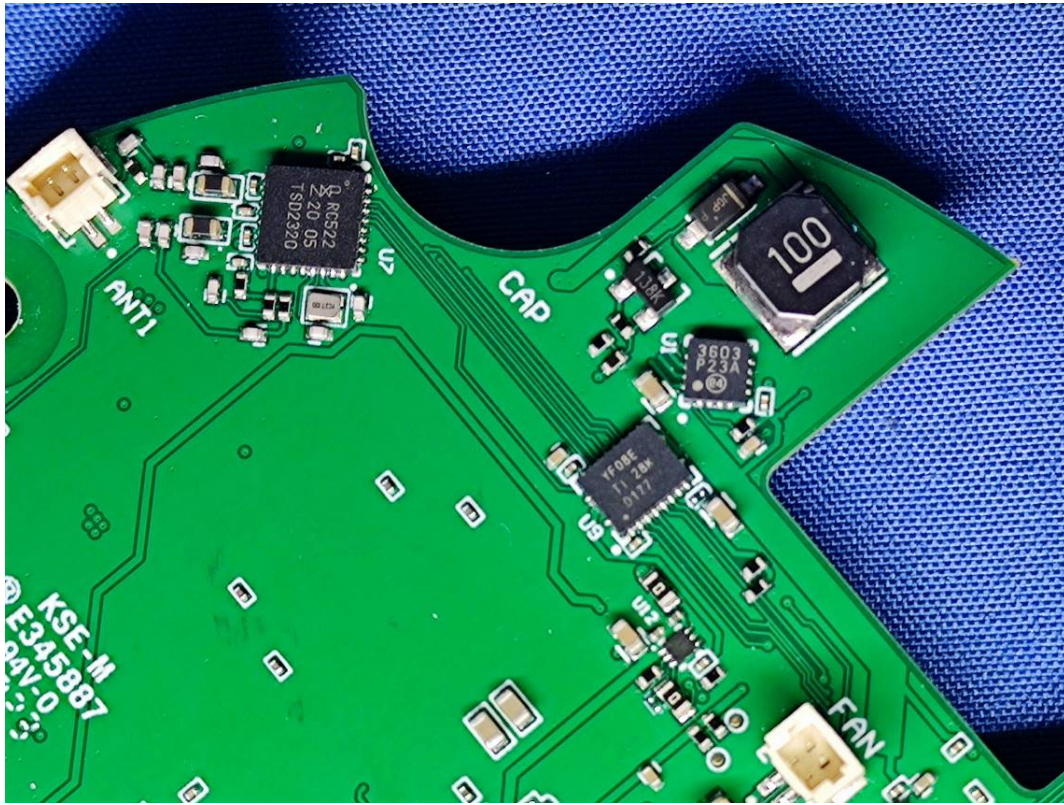

Chip

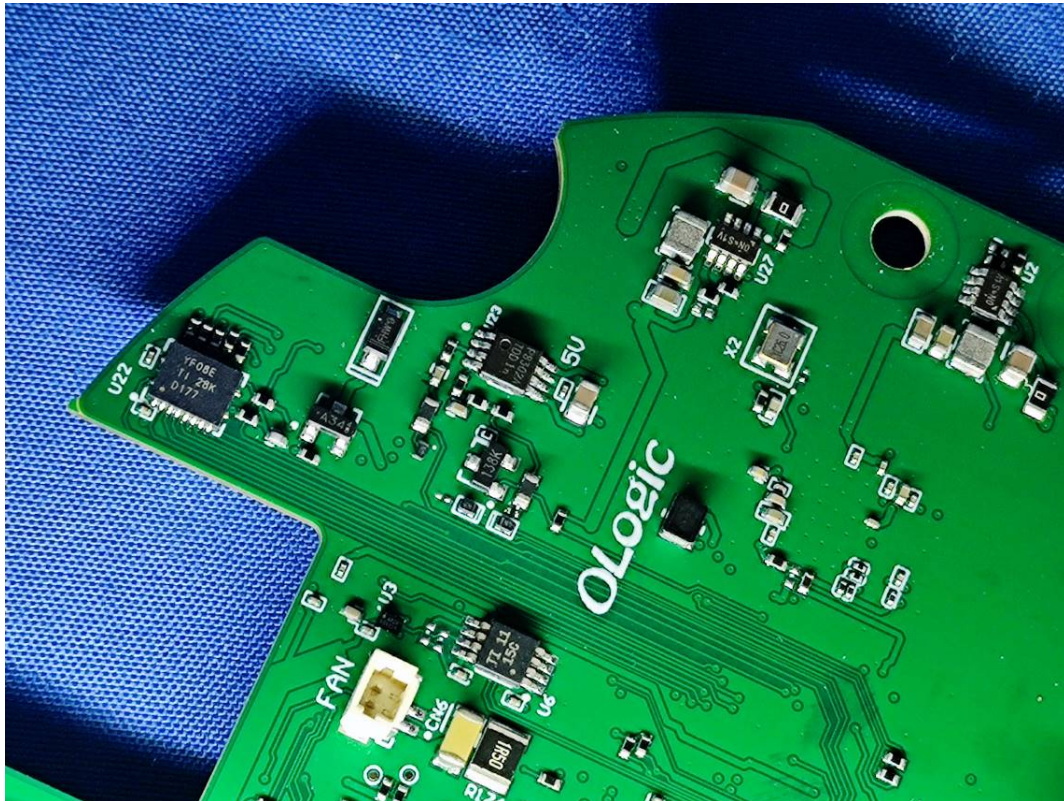

The image shows a green PCB with various electronic components. A large black chip is labeled 'MEDIATEK MT7663BSN 2148-BZJEL ABPOH260 BAP3G341'. Other components include a 'T500' capacitor, a 'CHRG_STAT' label, and various surface-mount components like resistors and capacitors. The board is labeled 'Main Rev 6' and has several circular cutouts for mounting.
