

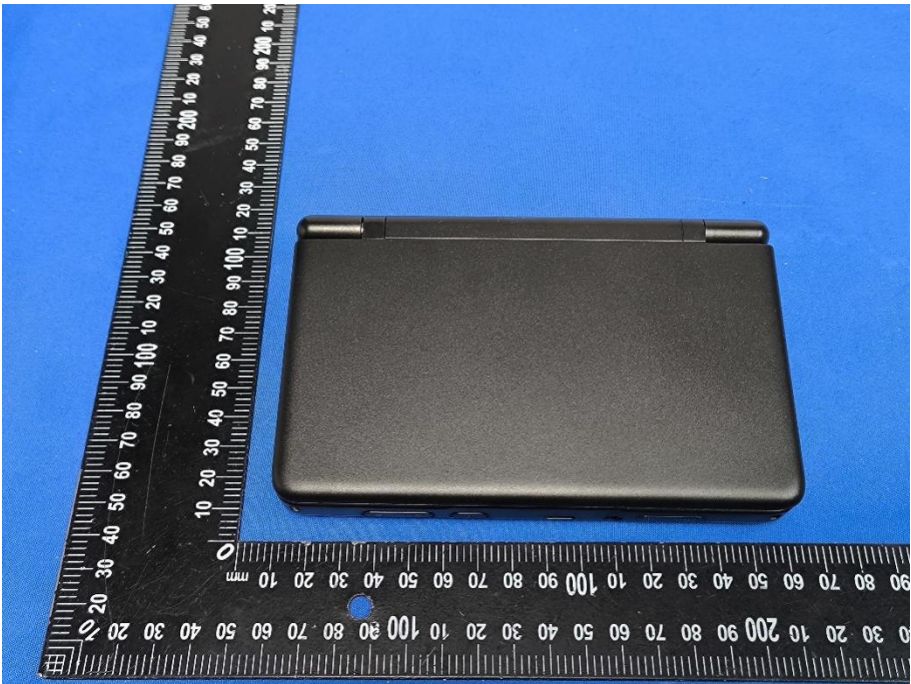

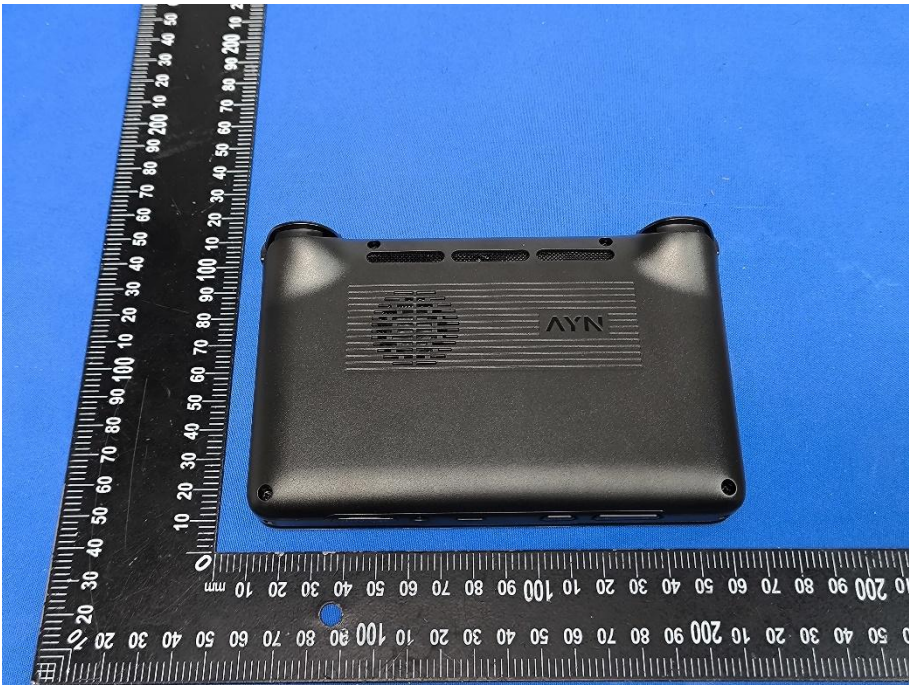

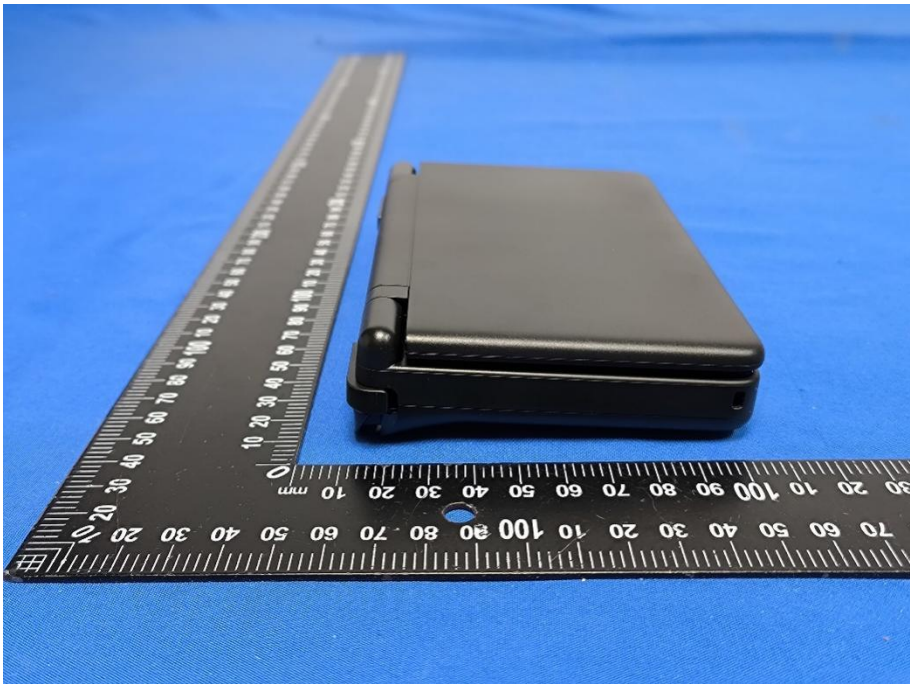

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

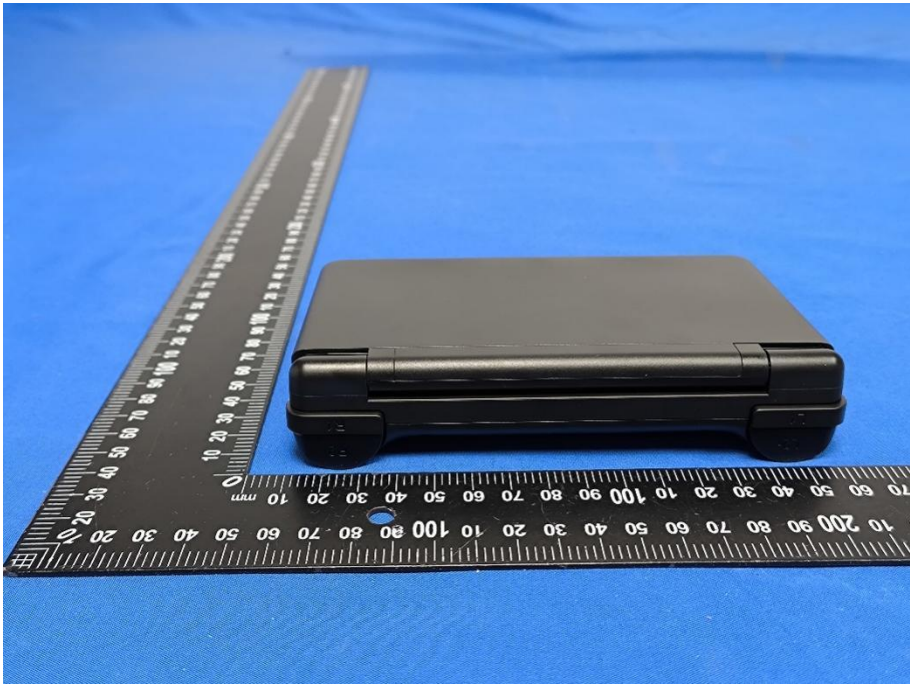

EUT View 1	 A black rectangular device, likely a USB drive or small external storage, is shown next to a coiled black cable. A ruler is placed horizontally below the device for scale. The device is approximately 10 cm long and 3 cm wide. The cable is coiled and has a USB-A connector on one end and a smaller connector on the other.
EUT View 2	 A black rectangular device, similar to the one in View 1, is shown next to a ruler. The device is approximately 10 cm long and 3 cm wide. The ruler is placed horizontally below the device for scale.

EUT View 3	 A black electronic device, possibly a handheld PDA or rugged smartphone, is shown from its back. The device has a rectangular shape with rounded corners. In the center, there is a circular camera lens surrounded by a textured ring. Below the camera, the letters "AYN" are printed. The device is placed on a blue fabric surface. A black L-shaped ruler is positioned next to it for scale, with the vertical part on the left and the horizontal part at the bottom. The ruler has white markings in millimeters and centimeters.
EUT View 4	 The same black electronic device is shown from its side. It appears to be a flip phone or a device with a sliding cover, as the top half is closed. The device is placed on the same blue fabric surface. A black L-shaped ruler is positioned next to it for scale, with the vertical part on the left and the horizontal part at the bottom. The ruler has white markings in millimeters and centimeters.

EUT View 9	 A black rectangular device is shown from the back, lying on a blue surface. A black ruler with white markings is placed vertically to the left of the device. The device has a circular logo on the left side of its back and the letters "AYN" on the right. There are some small ports or sensors near the top edge.
EUT View 10	 A side view of the black device. It shows a USB-C port, a circular jack, and a TF card slot. A small black tab with the text "TF CARD" is inserted into the slot. The device is resting on a blue surface.
