

Shenzhen quancheng spring hardware co., ltd

Company address: Floor 1, Building B, Taixinglong Industrial City, Zhongwu, Xixiang, Baoan District, Shenzhen.

Tel: 0755-27695493 Fax: 0755-27319934 13692105493 Lu Quanjin (Mr.)

Product specification

manufacturer	Shenzhen Chemei Technology Co., Ltd.			Sketch 
name of an article	Tire pressure antenna	Specifications (mm)	Diameter=3.05	
project	technical requirement			
	texture of wood	Diameter	surface treatment	
drawing	PCB	3.05mm	Environmental protection nickel	

Handle opinions	☐ Specially selected by ☐ and rejected by ☐ . Quality control: Date:		
Inspection tool	A vernier caliper projector	√ B micrometer √ C	D goniometer e dynamometer F visual inspection √ G others
Electrical performance	Encoding format: 433MHZ (surface mount IC)		
	Working voltage: 3V		
	Static current (no-load) : 3uA		
	Operating current (on-load) : 20mA		
	Operating temperature: -16 to 45		
	Storage temperature: -25 to 55		
	Carrier frequency: 433MHZ		
	Gain: 0dBi		
Launch distance: More than 15 meters
